Healing the Identity Body

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary and Archangel Raphael, Elohim Cyclopea and Virginia, Hilarion and all healing masters and angels to envelop and fill my identity body with your all-penetrating, all-accelerating healing flame, that restores everything to the immaculate wholeness for my lifestream, making my identity body the ideal instrument for the fulfillment of my Divine plan in this lifetime and for my ascension. I especially call for:

(Make personal calls)

Part 1

1. Mother Mary, I accept that I am more than the identity I have taken on here on earth, both in this and previous lifetimes.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I accept that I am more than a mortal human being. I am an immortal spiritual being.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I accept that I am pure awareness and that the Conscious You cannot be harmed or changed by anything in this world.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I accept that I am more than the identity from my culture, nation, family and other characteristics from earth.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I accept that I am more than a powerless human being. I am a co-creator with God, and with God all things are possible.

O Mother Mary, I feel free,

**surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I accept that I am more than the limited self that thinks it cannot do many things on earth.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I accept that I am more than my subconscious selves that automatically react to things on earth. Instead, I can consciously choose my reaction or I can choose not to react. I have the right to not react.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I accept that I am more than a separate self. I am a connected self, and I can experience my connection to my I AM Presence, to you and to all ascended

masters, reaching all the way to our Creator.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I accept that I am not alone in this dense world. I am the Conscious You, which can never be separated from the Christ mind because without it was not any being made that was made.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I accept that as the Conscious You, I am able to step outside my entire sense of identity and experience myself as pure or neutral awareness. I am willing to have that experience.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I accept that you are the Divine Mother for me, and as such you can conquer all conditions in matter. I feel enveloped in your loving Presence and I experience that I am more than anything on earth, even anything in my identity body.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I accept that even though the Conscious You tends to be what my subconscious selves think I am, I know I am more, and I am breaking free from the bonds of my worldly sense of identity.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 2

1. Mother Mary, I accept that the Conscious You is indeed immortal. Thus, I cannot die by letting any self in my identity body die.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I accept that by letting my separate sense of self die, I will not end up in a vacuum. I will be spiritually reborn into a self that is connected to my I AM Presence.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I accept that I am an extension of my I AM Presence. This means I am the Presence manifesting itself in this world.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I accept that the sense of being separated from the Presence is an illusion, an effect of my Conscious You having taken on the perspective of the separate self.

O Mother Mary, I am free,

**reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I accept that from the experience of the Conscious You, everything is a matter of perspective. I experience myself based on the filter through which I am seeing.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I accept that I can at any moment begin to change my perspective and I am indeed willing to follow your guidance on how to challenge all separate selves in my identity body.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I accept that you do not in any way blame me for having taken on these separate selves. Doing this is simply

part of the experience we can have on a planet like Earth.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I accept that the separate selves give me the immersion experience in the reality simulator of Earth. Yet I am now ready for the awakening experience, and I lovingly accept your guidance.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I accept that the process for overcoming a separate self is to lose my life, my sense of what life is through a separate self, in order to follow Christ into eternal life.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I accept that I must be willing to let a separate self die before I can experience myself as a new being in Christ.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I accept that the choices I have are binary, but not dualistic. I cannot experience myself as a separate self and as a connected self at the same time. I am either experiencing myself through a separate self or I am experiencing myself without the filter of that separate self. It cannot be both at the same time.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I accept that all suffering and limitation comes from seeing myself through the perception filter of a separate self. I am willing to experience life without having such a filter.

**O Mother Mary, you are here,
filling up the atmosphere,**

**we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 3

1. Mother Mary, I accept that I am a co-creator with God. Yet through the separate self I experience myself as a victim of conditions in this dense matter world, and they are always limiting me and what I can do.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I accept that this sense of being powerless in relation to matter is simply the consequence of experiencing matter through the perception filter of a separate self.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I accept that I am a co-creator. I am designed to co-create without ever feeling that I become a victim of my own co-creation or the co-creation of others. It is only the filter of the separate identity that makes me experience myself as a victim of my own co-creation.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I accept that although I experience Earth as a dense planet that limits me, this is an illusion created by the perception filter of the separate self. I am willing to have you help me shatter that illusion.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I accept that although human beings have densified matter on earth, what affects me is not the limitations of matter. It is how my separate self reacts to the density of matter, by accepting it as an objective condition.

**O Mother Mary, I feel free,
surrender is the master key,**

**all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I accept that if the current density of matter is co-created collectively by humankind, then it is not an objective condition. So why should my mind be subject to and submit to a condition that does not objectively exist, but is a subjective illusion?

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I accept that even if all people on Earth have fallen prey to this illusion, I do not have to submit to it. My Conscious You can rise above it and come to experience and accept that what people call matter is simply the Ma-ter Light, and the Ma-ter light responds to my mind.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am willing to have you take me through a process of systematically questioning all of the illusions about matter found on earth. I am willing to experience that the Ma-ter light will indeed respond to my mind, when I am connected to my I AM Presence and to you.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I accept that I am a co-creator with my God, and my God has given me free will and the ability to project mental images upon the Ma-ter light.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I accept that I am a co-creator with my God, and my God has given me the potential to take dominion over the Ma-ter light. I am willing to exercise that potential.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,**

all matter does accelerate.

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I am willing to have you take me through a systematic process of shattering all of my illusions relating to the Ma-ter light and my ability to change the forms that the Ma-ter light has taken on. I do this by letting the separate selves die and formulating a new mental image.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am willing to have you and Saint Germain help me become a true alchemist, who can turn the lead of current physical conditions into the gold of the Christ vision for my life.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Sealing

In the name of the Divine Mother, I call to Mother Mary and Archangel Raphael for

the sealing of myself and all people in my circle of influence in the creative flow of the Divine Mother, the River of Life. I call for the multiplication of my calls by all representatives of the Divine Mother, so that we form the perfect figure-eight flow of "As Above, so below." Thus, I accept that this is fully manifest, because the mouth of the Lord, the Divine Mother that I AM, has spoken it. Amen.

Healing the Mental Body

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary and Archangel Raphael, Elohim Cyclopea and Virginia, Hilarion and all healing masters and angels to envelop and fill my mental body with your all-penetrating, all-accelerating healing flame, that restores everything to the immaculate wholeness for my lifestream, making my mental body the ideal instrument for the fulfillment of my Divine plan in this lifetime and for my ascension. I especially call for:

(Make personal calls)

Part 1

1. Mother Mary, I experience the reality that the major illusion created on Earth is that physical conditions are not the projections of conditions in the mind, but have some objective existence independently of the mind.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I experience the reality that this illusion says that once a condition has manifest in the physical, the only way to change the condition is through physical means. I experience the reality that this is a

lie projected by the fallen beings in order to keep us trapped in physical conditions.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I experience the reality that any physical conditions is a projection of conditions in the emotional, mental and identity levels of the mind. Thus, any physical condition can be changed by changing the conditions in the higher levels of the mind.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I experience the reality that even the physical conditions are conditions in the mind because consciousness ALWAYS comes before the physical manifestation.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

O Mother Mary, from beyond,

**to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I experience the reality that the veil of Maya says that once a condition has become physical, the mind cannot change the condition. Yet since any physical condition is created through the mind, it can also be changed by the mind.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I experience the reality that the entire discussion about mind over matter is misguided because it is based on the illusion that matter is separate from mind. Mind over matter is entirely possible because matter IS mind. There is nothing but mind.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I experience the reality that I have been programmed to believe that my mind cannot change matter, even that my mind is a product of the physical matter in the brain.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I experience the reality that if the mind was a product of the physical brain, then that mind could not change matter. Yet the brain is just the densest part of the larger energy field of my mind, and that which has a lower vibration can indeed be changed by that which has a higher vibration.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I experience the reality that my separate selves can only experience life through the four levels of matter. Thus, the selves in the mental mind are subject to intellectual argumentation about the mind's ability to change matter.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,**

**and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I experience the reality that there is no way, even for you, to intellectually prove that mind has power over matter. For as long as I am trying to prove or disprove this intellectually, I am closing my mind to having the power of Christ flow through me.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I experience the reality that the question of mind over matter can only be settled by a direct demonstration, but this can happen only when my mind is open to letting the power of Christ flow through me.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am willing to have to take me through a systematic process of shattering all illusions about mind and matter, until I can truly accept and experience that everything is mind, and

thus mind does indeed have power over matter.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 2

1. Mother Mary, I experience the reality that our world of form started with the Creator. The Creator is a conscious Being, and it started our world of form out of its own mind and Being. Thus, every form is created out of the Creator's mind.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I experience the reality that the Creator planned to create self-aware extensions of itself, give them the ability to co-create and the free will to choose what to co-create.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

O Mother Mary, I let go,

**of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I experience the reality that the Creator knew this posed a challenge, because a co-creator might come to identify itself with its own creation, thereby in a way becoming lost in its own creation.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I experience the reality that in order to prevent co-creators from becoming permanently lost, the Creator first created the Christ mind, the only begotten of the father. And without the Christ mind was not anything made that was made.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I experience the reality that because nothing was created without the Christ mind, every form has the Christ mind within it. Thus, as a co-creator I can never lose the ability to look beyond form and

experience my link to the Creator through the Christ mind.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I experience the reality that because every form is created out of the Christ mind, and because the Christ mind can take on any form, any form can be changed by the Christ mind.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I experience the reality that a co-creator starts out with a point-like sense of identity, and thus is not aware that it's Conscious You is out of the Christ mind. Therefore, I can co-create a form and come to think that this form now limits my ability to co-create a new form.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

O Mother Mary, all is healed,

**as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I experience the reality that I can come to believe that the matter world has power over my mind, yet this is only true if I see myself as a separate self. To the separate self, matter will seem impossible to change with the mind.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I experience the reality that after creating the Christ mind, the Creator then created the Ma-ter light as a substance that has the ability to take on any form and maintain that form over time. Yet the Ma-ter light is also created out of the Christ mind and it cannot take on form by itself. Nor can it maintain form by itself.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I experience the reality that the process of co-creation has gone through seven spheres, and we now find ourselves in the latest and most dense

sphere. Thus, it is easier in this sphere to believe that the Ma-ter light is a substance that is separate from mind. Yet this belief comes only through a separate self.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I experience the reality that it is still possible for the Conscious You to step outside of the separate self and experience the Christ mind within itself and within every form.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I realize that you are one with the Christ mind, and thus you see the immaculate concept for my four lower bodies and my life. This means that by connecting to you, I can co-create with you the immaculate conditions for my mind, my physical body and my life. I want to be a co-creator with you.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 3

1. Mother Mary, I experience the reality that through the Christ mind, it is possible to see that even the dense forms in our world are created as an extension of the entire hierarchy of ascended beings, reaching all the way to the Creator.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I experience the reality that through the Christ mind, I can experience that the creation of form is a hierarchical process, meaning that the higher levels of creation set the parameters for the lower levels. Thus, the higher is never subject to the lower, it is always the lower that is subject to the higher.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I experience the reality that through the Christ mind I can see that the Ma-ter light is created as the servant of all self-aware beings. It has no power over self-aware beings because it is always below us in hierarchy.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I experience the reality that only the separate self can come to believe that the Ma-ter light could ever have power over mind. This is because the separate self cannot see itself as a part of the cosmic hierarchy, and thus it cannot see the Ma-ter light as its servant.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I experience the reality that the separate self will inevitably see itself as a victim of matter, even as a product of matter. Yet this is the mind of anti-christ, which can cause us to deny Christ within ourselves.

O Mother Mary, I feel free,

**surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I experience the reality that with the Christ mind, I am not a slave of matter, I am not a victim of my own creation. With the Christ mind, I can change my Life Experience from being a victim of matter to having dominion over matter. This I desire to go through.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I experience the reality that humankind has collectively created the current limitations on Earth. Because of free will, I cannot override these conditions, even with the Christ mind. Yet I need not be a victim of the collective illusion.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I experience the reality that with the Christ mind, I can experience that free will is individual. Within my own mind, I can rise beyond the collective will, and with the Christ mind I can have dominion over my matter circumstances.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I experience the reality that my matter circumstances are a projection of the contents of the four levels of my individual mind. With the Christ mind, I can raise the four levels of my mind, including what I see as my physical body, above the conditions defined in the collective mind.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I experience the reality that through the Christ mind, I can rise above any condition defined by the collective mind, yet in order to do so, I need to lose my separate life and be reborn into oneness with the Christ mind and the entire cosmic hierarchy of which I am an extension.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I am willing to have you take me through a systematic process of shattering all illusions that cause me to believe I am a victim of matter. I am willing to take dominion over the four levels of my mind and let the Christ vision replace all collective illusions.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I experience the reality that I am the Christ mind, for without it was not anything made that was made, including my Conscious You. Thus, with Christ it is indeed possible for the mind to heal the physical body, for the body is only an extension of the mind.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,**

the Golden Age is given birth.

Sealing

In the name of the Divine Mother, I call to Mother Mary and Archangel Raphael for the sealing of myself and all people in my circle of influence in the creative flow of the Divine Mother, the River of Life. I call for the multiplication of my calls by all representatives of the Divine Mother, so that we form the perfect figure-eight flow of "As Above, so below." Thus, I accept that this is fully manifest, because the mouth of the Lord, the Divine Mother that I AM, has spoken it. Amen.

Healing the Emotional Body

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary and Archangel Raphael, Elohim Cyclopea and Virginia, Hilarion and all healing masters and angels to envelop and fill my emotional body with your all-penetrating, all-accelerating healing flame, that restores everything to the immaculate wholeness for my lifestream, making my emotional body the ideal instrument for the fulfillment of my Divine plan in this lifetime and for my ascension. I especially call for:

(Make personal calls)

Part 1

1. Mother Mary, I am aware that I am a co-creator with the cosmic hierarchy above me. I co-create by using the energy I receive from my I AM Presence and the ascended masters. I need no energy from this world in order to co-create.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I am aware that when I became blinded by the illusion that says I am a separate being, I did not experience the stream of energy from above. Thus, I thought I needed energy from this world.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I am aware that this set up a reverse energy flow, where my emotional body became an inroad for the energies from the collective consciousness and even from dark forces.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that this means I now have subconscious selves that take in fear-based energies from this world, and this affects both my feelings, my thoughts and my sense of identity.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I am willing to have you take me through a systematic process whereby I close and seal my four lower bodies to this reverse energy flow.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I want to return to the state of innocence, where energy only flows downwards from my I AM Presence and there is no energy flowing from this world into my four lower bodies.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, in order to achieve this, I am willing to look at all subconscious selves that make me see myself as a separate being, make me think my mind has no power over matter or make me feel like I need something from this world.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

O Mother Mary, all is healed,

**as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am willing to see all reactionary patterns that cause me to open my energy field to the lower energies in this world. I want to return to the state where energy only flows outward from my Presence, and no energy flows inwards from the world.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I am willing to have you take me through a systematic process, whereby I take command over my sense of identity, my thoughts and my feelings, so I have dominion over these three bodies and can maintain the natural energy flow from Above to below.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I am aware that my separate selves will resist this because they can only be fed by fear-based

energies, whether they come from the world or whether I produce them internally.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I am aware that these subconscious selves want me to react to the world in such a way that I either take in fear-based energy or that I produce it myself.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am willing to have you take me through a systematic process of becoming aware of my emotional patterns, so I can see that my reactions are based on the illusions created through the veil of separation.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,**

**to co-create a better earth,
the Golden Age is given birth.**

Part 2

1. Mother Mary, I am aware that when I take command over my identity and mental bodies, these two bodies set the parameters for how I react to the world. Thus, my emotions will ideally fall within these parameters.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I am aware that when I take command over my identity and mental bodies, I can also take command over my emotional body, and thus I can keep it sealed off from any energies from this world.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I hereby take ownership of my identity, mental and emotional bodies by accepting that Christ is the head of the household, and as the Conscious You I am indeed the Christ in my Being.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that since everything is made out of the Christ consciousness, my Conscious You is already the Christ consciousness, for how else could I be aware of myself?

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I am aware that because I am already the Christ consciousness, I can let any subconscious self die, and when I do, I am reborn as a new being in Christ.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I want to be reborn as a new being who does not react to this world, and thus does not need to take in anything from this world. Instead, I am focused on giving to this world by being the open door for the flow of energy from the cosmic hierarchy.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I am aware that emotions are energy in motion, meaning that my emotional body is always moving. Instead of seeking to stop or calm my emotions, I will redirect my emotions based on the Christ mind.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am realigning my emotions with the Christ mind so I can flow with the River of Life, instead of being blown hither and yon by the currents in the collective consciousness.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,**

and I am free from worldly tie.

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, it does not matter to me at all that most people around me are trapped in fear-based emotional patterns. I have a right to keep my emotional body completely sealed off from the mass consciousness or from the emotions of specific people close to me.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I hereby claim my right to feel what I want to feel and not what other people, the mass consciousness or the fallen beings project that I should feel.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I hereby declare my independence from the emotional

projections of all beings trapped in duality and separation.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I hereby declare my right to let the Light of Christ flow through my emotions and to flood my emotional body, so I never feel a need to take in any energies or projections from this world.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 3

1. Mother Mary, my emotional body is an open door for the ever-flowing, inexhaustible stream of spiritual energy that flows from the entire cosmic hierarchy into this world.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,**

**in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, my emotional body is not sealed off from the world, it is simply so filled with the ever-flowing stream of cosmic energy that no lower energies can enter.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I am aware that there is a certain momentum among spiritual people of wanting to calm the emotions and attain peace of mind. Yet I am not seeking to stop all emotions; I am letting the higher energies transform the lower energies.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that higher energies can only flow into my emotional body when I am not seeking to use them for the purposes of the separate selves, but I am seeking to raise the whole.

**O Mother Mary, I am free,
reborn to new identity,**

**in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I am willing to have you take me through a systematic process of transforming my approach to life, whereby I shift from focusing on protecting myself from the world to giving to the world.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I am aware that the cosmic hierarchy has unlimited energy and ideas they want to give to the world, but they need those in embodiment who are willing to be the open doors through which this can be given.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I am willing to be an open door for the cosmic hierarchy to give the gifts that you want to give through me.

Thus, I am not seeking to suppress or even calm my emotions, I am seeking to let the higher energies flow through my emotional body.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am willing to have you take me through a systematic process, whereby I shift from being focused on protecting myself in order to avoid lower emotions, to where I am focused on being creative and allowing creative emotions to flow through me.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I am willing to have you help me experience creative emotions, as opposed to the kind of emotions I have experienced thus far.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

O Mother Mary, I now see,

**that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I am willing to experience that the River of Life flows through me and that the cosmic energies transform all lower energies stored in my identity, mental and emotional bodies.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, my emotional body is the open door for the flow of the creative energies of the cosmic hierarchy, transforming my life and transforming life on earth.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, my emotional body is the Fountain of Youth where everything becomes new in the bubbling, ceaselessly flowing energies of the Holy Spirit, that can transform anything that is apart from the River of Life. For it never accepts that any part of life could be apart from the River of Life.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Sealing

In the name of the Divine Mother, I call to Mother Mary and Archangel Raphael for the sealing of myself and all people in my circle of influence in the creative flow of the Divine Mother, the River of Life. I call for the multiplication of my calls by all representatives of the Divine Mother, so that we form the perfect figure-eight flow of "As Above, so below." Thus, I accept that this is fully manifest, because the mouth of the Lord, the Divine Mother that I AM, has spoken it. Amen.

Healing the Physical Body

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary and Archangel Raphael, Elohim Cyclopea and Virginia, Hilarion and all healing masters and angels to envelop and fill my physical body with your all-penetrating, all-accelerating healing flame, that restores everything to the immaculate wholeness for my lifestream, making my physical body the ideal instrument for the fulfillment of my Divine plan in this lifetime and for my ascension. I especially call for:

(Make personal calls)

Part 1

1. Mother Mary, I am aware that my physical body is not made of a substance that is different from my emotional, mental and identity bodies. My physical body is an energy field.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I am aware that my physical body is not separated from my energy field. It is simply the densest part of my total energy field. My body is truly vibrating energy.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I am aware that my physical body is made up of the Ma-ter light, which can take on any form, but it cannot take on form by itself.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that my physical body is truly created and upheld by a mental image that is being projected onto the Ma-ter light by the contents of my identity, mental and emotional bodies.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I am aware – and I fully accept – that if the image projected upon the Ma-ter light changes, then the form of

the light will change, meaning my physical body will also change. It cannot be any other way because my physical body has no life apart from the Ma-ter light, and the Ma-ter light has no form apart from the image projected upon it.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I am aware that my physical body only feels solid to the physical senses, and it only seems to have continuity to the outer mind. In reality, my physical body is no more solid than the image projected upon a movie screen. If the projection changes, the image on the screen will also change.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I am willing to have you take me through a systematic process of questioning the illusion that my body has solidly and permanence and therefore, it is difficult to heal the body. I accept that it is possible to heal the body by changing the image projected upon the Ma-ter light with my identity, mental and emotional bodies.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am aware that there is an enormous projection from the collective consciousness and from dark forces, that seeks to prevent me from accepting what you are telling me. I am willing to be free of this projection.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I ask for your protection from this projection, and I ask you to help me see the separate selves that make me vulnerable to this projection.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, help me see that to the separate selves, it will always seem impossible to heal the body with the mind. The separate selves can only see the body as separated from the mind.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, help me see that only the Christ mind can see the underlying oneness behind the veil of form, the veil of Maya. Only my Conscious You can connect to the Christ mind, and I am indeed willing to have you help me step outside of the separate selves and experience that with Christ healing is possible.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am aware and I fully accept that because everything was made out of the Christ mind, the Christ mind is within every form. Thus, when I see the Christ mind in any bodily condition, that condition can indeed be brought into alignment with the vision of Christ.

O Mother Mary, you are here,

**filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 2

1. Mother Mary, I am aware that the physical body has always been a challenge or an enigma for spiritual people. Thus, there are contradictory attitudes towards the body that I have been affected by in this and past lives.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I am aware that it will seem like I have to go through a contradictory process in order to change my view of the physical body. I have to start by accepting that I am NOT the physical body because I am a spiritual being and I can exist independently of my physical, emotional, mental and identity bodies.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

O Mother Mary, I let go,

**of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I am aware that I need to accept that I am more than the body in order to free myself from the heavy projection from the collective consciousness that I am the body or that my mind has no power over the body. I therefore accept that I am NOT the body.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that because I am NOT the body, I can see that my Conscious You does indeed have the ability to change the contents of my identity, mental and emotional bodies, whereby I change the image projected onto the Ma-ter light, the image that forms the physical body.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I hereby accept that I can indeed change the images that produce my physical body, and I am willing to have you

take me through a systematic process of changing these images, as you have already started doing.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I am aware that this leads to the realization that because I am NOT the body, I can reverse the energy flow that flows from the body into my emotional, mental and identity minds. This reverse flow is what makes me feel, think or accept that the body is solid and thus I accept the illusion that my mind does not have the power to heal the body.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I am willing to have you take me through a systematic process for reversing this unnatural energy flow, so I can re-establish the natural energy flow, where the energy flows from my I AM Presence into my identity body, then into the mental, then into the emotional and then into the physical. Nothing from the physical body dominates or even

influences my feelings, thoughts and sense of identity.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am aware that once I have regained this natural energy flow, I need to shift and now I have to accept that I AM the body. I accept that because my physical body is a projection of my emotional, mental and identity minds and because my Conscious You in oneness with Christ has dominion over those minds, then I AM actually the physical body.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I am aware that the difference is that I start out with a situation where my separate selves are the physical body. I have to separate myself from this and accept that I am more than the body. Yet when I have changed my identification with those separate selves, then I need to accept that I, in oneness with Christ, AM the physical body.

O Mother Mary, what a sound,

**that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I accept that, in oneness with Christ, I have dominion over my physical body. Thus, the projection from my identity, mental and emotional bodies is no longer based on images created by the separate selves through the veil of separation. The projection is now based on the images of the Christ mind.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I am willing to attune to the immaculate concept that you are holding for my physical body. I am willing to have you take me through a systematic process of seeing this image and accepting that this immaculate image is real.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am willing to have you take me through a systematic process of coming to accept that your immaculate concept for my physical body is the ONLY reality. Nothing else is real for my physical body, for only that which is based on the Christ mind is real.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 3

1. Mother Mary, I am aware that my Conscious You is made out of the Christ mind, and thus it is real, I AM real. Everything coming from the separate mind is unreal. Thus, since my Conscious You is real, I accept that: "That, which is real cannot be affected by that, which is unreal."

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I accept that any imperfect condition in my physical body can only come from the separate mind, and thus it is unreal. Therefore, I accept that only the

immaculate vision of the Christ mind is real for my physical body.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I accept that you are holding the immaculate concept for me being the Christ in my four lower bodies, and I do indeed accept that I AM Christ in my being and world.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I completely accept that I am the Christ in my four lower bodies! I fully accept that the Christ vision for my body is the only reality! I accept that your Immaculate Concept is physically manifest, right now! I AM this body!

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,**

as in our oneness I will be.

5. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,

you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,

9. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,

as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

the Lord, the Divine Mother that I AM, has spoken it. Amen.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

**The tuning fork in every cell,
is now attuned to Mother's Bell. (9X,
33X or as many times as you feel.)**

my mind into a peaceful state,
God's perfect love I radiate.**

it does consume all sense of fear.
In tune with Mother's symphony,
from all diseases I AM free.

my mind into a peaceful state,
God's perfect love I radiate.**

For when with Mother's eye I see,
no imperfection touches me.
