Healing the Identity Body

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary and Archangel Raphael, Elohim Cyclopea and Virginia, Hilarion and all healing masters and angels to envelop and fill my identity body with your all-penetrating, all-accelerating healing flame, that restores everything to the immaculate wholeness for my lifestream, making my identity body the ideal instrument for the fulfillment of my Divine plan in this lifetime and for my ascension. I especially call for:

(Make personal calls)

Part 1

1. Mother Mary, I accept that I am more than the identity I have taken on here on earth, both in this and previous lifetimes.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I accept that I am more than a mortal human being. I am an immortal spiritual being.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I accept that I am pure awareness and that the Conscious You cannot be harmed or changed by anything in this world.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I accept that I am more than the identity from my culture, nation, family and other characteristics from earth.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I accept that I am more than a powerless human being. I am a co-creator with God, and with God all things are possible.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I accept that I am more than the limited self that thinks it cannot do many things on earth.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I accept that I am more than my subconscious selves that automatically react to things on earth. Instead, I can consciously choose my reaction or I can choose not to react. I have the right to not react.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I accept that I am more than a separate self. I am a connected self, and I can experience my connection to my I AM Presence, to you and to all ascended masters, reaching all the way to our Creator.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I accept that I am not alone in this dense world. I am the Conscious You, which can never be separated from the Christ mind because without it was not any being made that was made.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I accept that as the Conscious You, I am able to step outside my entire sense of identity and experience myself as pure or neutral awareness. I am willing to have that experience.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I accept that you are the Divine Mother for me, and as such you can conquer all conditions in matter. I feel

enveloped in your loving Presence and I experience that I am more than anything on earth, even anything in my identity body.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I accept that even though the Conscious You tends to be what my subconscious selves think I am, I know I am more, and I am breaking free from the bonds of my worldly sense of identity.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 2

1. Mother Mary, I accept that the Conscious You is indeed immortal. Thus, I cannot die by letting any self in my identity body die.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,**

from all that used to burden me.

2. Mother Mary, I accept that by letting my separate sense of self die, I will not end up in a vacuum. I will be spiritually reborn into a self that is connected to my I AM Presence.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I accept that I am an extension of my I AM Presence. This means I am the Presence manifesting itself in this world.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I accept that the sense of being separated from the Presence is an illusion, an effect of my Conscious You having taken on the perspective of the separate self.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I accept that from the experience of the Conscious You, everything is a matter of perspective. I experience myself based on the filter through which I am seeing.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I accept that I can at any moment begin to change my perspective and I am indeed willing to follow your guidance on how to challenge all separate selves in my identity body.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I accept that you do not in any way blame me for having taken on these separate selves. Doing this is simply part of the experience we can have on a planet like Earth.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I accept that the separate selves give me the immersion experience in the reality simulator of Earth. Yet I am now ready for the awakening experience, and I lovingly accept your guidance.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I accept that the process for overcoming a separate self is to lose my life, my sense of what life is through a separate self, in order to follow Christ into eternal life.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I accept that I must be willing to let a separate self die before I can

experience myself as a new being in Christ.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I accept that the choices I have are binary, but not dualistic. I cannot experience myself as a separate self and as a connected self at the same time. I am either experiencing myself through a separate self or I am experiencing myself without the filter of that separate self. It cannot be both at the same time.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I accept that all suffering and limitation comes from seeing myself through the perception filter of a separate self. I am willing to experience life without having such a filter.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 3

1. Mother Mary, I accept that I am a co-creator with God. Yet through the separate self I experience myself as a victim of conditions in this dense matter world, and they are always limiting me and what I can do.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I accept that this sense of being powerless in relation to matter is simply the consequence of experiencing matter through the perception filter of a separate self.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I accept that I am a co-creator. I am designed to co-create without ever feeling that I become a victim of my own co-creation or the co-creation of

others. It is only the filter of the separate identity that makes me experience myself as a victim of my own co-creation.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I accept that although I experience Earth as a dense planet that limits me, this is an illusion created by the perception filter of the separate self. I am willing to have you help me shatter that illusion.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I accept that although human beings have densified matter on earth, what affects me is not the limitations of matter. It is how my separate self reacts to the density of matter, by accepting it as an objective condition.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

O Mother Mary, I'm with you,

**my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I accept that if the current density of matter is co-created collectively by humankind, then it is not an objective condition. So why should my mind be subject to and submit to a condition that does not objectively exist, but is a subjective illusion?

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I accept that even if all people on Earth have fallen prey to this illusion, I do not have to submit to it. My Conscious You can rise above it and come to experience and accept that what people call matter is simply the Ma-ter Light, and the Ma-ter light responds to my mind.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am willing to have you take me through a process of systematically questioning all of the illusions about matter found on earth. I am

willing to experience that the Ma-ter light will indeed respond to my mind, when I am connected to my I AM Presence and to you.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I accept that I am a co-creator with my God, and my God has given me free will and the ability to project mental images upon the Ma-ter light.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I accept that I am a co-creator with my God, and my God has given me the potential to take dominion over the Ma-ter light. I am willing to exercise that potential.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,**

**as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I am willing to have you take me through a systematic process of shattering all of my illusions relating to the Ma-ter light and my ability to change the forms that the Ma-ter light has taken on. I do this by letting the separate selves die and formulating a new mental image.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am willing to have you and Saint Germain help me become a true alchemist, who can turn the lead of current physical conditions into the gold of the Christ vision for my life.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Sealing

In the name of the Divine Mother, I call to Mother Mary and Archangel Raphael for the sealing of myself and all people in my circle of influence in the creative flow of the Divine Mother, the River of Life. I call for the multiplication of my calls by all

representatives of the Divine Mother, so that we form the perfect figure-eight flow of "As Above, so below." Thus, I accept that this is fully manifest, because the mouth of the Lord, the Divine Mother that I AM, has spoken it. Amen.

Healing the Mental Body

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary and Archangel Raphael, Elohim Cyclopea and Virginia, Hilarion and all healing masters and angels to envelop and fill my mental body with your all-penetrating, all-accelerating healing flame, that restores everything to the immaculate wholeness for my lifestream, making my mental body the ideal instrument for the fulfillment of my Divine plan in this lifetime and for my ascension. I especially call for:

(Make personal calls)

Part 1

1. Mother Mary, I experience the reality that the major illusion created on Earth is that physical conditions are not the projections of conditions in the mind, but have some objective existence independently of the mind.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I experience the reality that this illusion says that once a condition has manifest in the physical, the only way to change the condition is through physical means. I experience the reality that this is a

lie projected by the fallen beings in order to keep us trapped in physical conditions.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I experience the reality that any physical conditions is a projection of conditions in the emotional, mental and identity levels of the mind. Thus, any physical condition can be changed by changing the conditions in the higher levels of the mind.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I experience the reality that even the physical conditions are conditions in the mind because consciousness ALWAYS comes before the physical manifestation.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

O Mother Mary, from beyond,

**to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I experience the reality that the veil of Maya says that once a condition has become physical, the mind cannot change the condition. Yet since any physical condition is created through the mind, it can also be changed by the mind.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I experience the reality that the entire discussion about mind over matter is misguided because it is based on the illusion that matter is separate from mind. Mind over matter is entirely possible because matter IS mind. There is nothing but mind.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I experience the reality that I have been programmed to believe that my mind cannot change matter, even that my mind is a product of the physical matter in the brain.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I experience the reality that if the mind was a product of the physical brain, then that mind could not change matter. Yet the brain is just the densest part of the larger energy field of my mind, and that which has a lower vibration can indeed be changed by that which has a higher vibration.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I experience the reality that my separate selves can only experience life through the four levels of matter. Thus, the selves in the mental mind are subject to intellectual argumentation about the mind's ability to change matter.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,**

**and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I experience the reality that there is no way, even for you, to intellectually prove that mind has power over matter. For as long as I am trying to prove or disprove this intellectually, I am closing my mind to having the power of Christ flow through me.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I experience the reality that the question of mind over matter can only be settled by a direct demonstration, but this can happen only when my mind is open to letting the power of Christ flow through me.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am willing to have to take me through a systematic process of shattering all illusions about mind and matter, until I can truly accept and experience that everything is mind, and

thus mind does indeed have power over matter.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 2

1. Mother Mary, I experience the reality that our world of form started with the Creator. The Creator is a conscious Being, and it started our world of form out of its own mind and Being. Thus, every form is created out of the Creator's mind.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I experience the reality that the Creator planned to create self-aware extensions of itself, give them the ability to co-create and the free will to choose what to co-create.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

O Mother Mary, I let go,

**of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I experience the reality that the Creator knew this posed a challenge, because a co-creator might come to identify itself with its own creation, thereby in a way becoming lost in its own creation.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I experience the reality that in order to prevent co-creators from becoming permanently lost, the Creator first created the Christ mind, the only begotten of the father. And without the Christ mind was not anything made that was made.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I experience the reality that because nothing was created without the Christ mind, every form has the Christ mind within it. Thus, as a co-creator I can never lose the ability to look beyond form and

experience my link to the Creator through the Christ mind.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I experience the reality that because every form is created out of the Christ mind, and because the Christ mind can take on any form, any form can be changed by the Christ mind.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I experience the reality that a co-creator starts out with a point-like sense of identity, and thus is not aware that it's Conscious You is out of the Christ mind. Therefore, I can co-create a form and come to think that this form now limits my ability to co-create a new form.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

O Mother Mary, all is healed,

**as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I experience the reality that I can come to believe that the matter world has power over my mind, yet this is only true if I see myself as a separate self. To the separate self, matter will seem impossible to change with the mind.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I experience the reality that after creating the Christ mind, the Creator then created the Ma-ter light as a substance that has the ability to take on any form and maintain that form over time. Yet the Ma-ter light is also created out of the Christ mind and it cannot take on form by itself. Nor can it maintain form by itself.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I experience the reality that the process of co-creation has gone through seven spheres, and we now find ourselves in the latest and most dense

sphere. Thus, it is easier in this sphere to believe that the Ma-ter light is a substance that is separate from mind. Yet this belief comes only through a separate self.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I experience the reality that it is still possible for the Conscious You to step outside of the separate self and experience the Christ mind within itself and within every form.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I realize that you are one with the Christ mind, and thus you see the immaculate concept for my four lower bodies and my life. This means that by connecting to you, I can co-create with you the immaculate conditions for my mind, my physical body and my life. I want to be a co-creator with you.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 3

1. Mother Mary, I experience the reality that through the Christ mind, it is possible to see that even the dense forms in our world are created as an extension of the entire hierarchy of ascended beings, reaching all the way to the Creator.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I experience the reality that through the Christ mind, I can experience that the creation of form is a hierarchical process, meaning that the higher levels of creation set the parameters for the lower levels. Thus, the higher is never subject to the lower, it is always the lower that is subject to the higher.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I experience the reality that through the Christ mind I can see that the Ma-ter light is created as the servant of all self-aware beings. It has no power over self-aware beings because it is always below us in hierarchy.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I experience the reality that only the separate self can come to believe that the Ma-ter light could ever have power over mind. This is because the separate self cannot see itself as a part of the cosmic hierarchy, and thus it cannot see the Ma-ter light as its servant.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I experience the reality that the separate self will inevitably see itself as a victim of matter, even as a product of matter. Yet this is the mind of anti-christ, which can cause us to deny Christ within ourselves.

O Mother Mary, I feel free,

**surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I experience the reality that with the Christ mind, I am not a slave of matter, I am not a victim of my own creation. With the Christ mind, I can change my Life Experience from being a victim of matter to having dominion over matter. This I desire to go through.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I experience the reality that humankind has collectively created the current limitations on Earth. Because of free will, I cannot override these conditions, even with the Christ mind. Yet I need not be a victim of the collective illusion.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I experience the reality that with the Christ mind, I can experience that free will is individual. Within my own mind, I can rise beyond the collective will, and with the Christ mind I can have dominion over my matter circumstances.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I experience the reality that my matter circumstances are a projection of the contents of the four levels of my individual mind. With the Christ mind, I can raise the four levels of my mind, including what I see as my physical body, above the conditions defined in the collective mind.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I experience the reality that through the Christ mind, I can rise above any condition defined by the collective mind, yet in order to do so, I need to lose my separate life and be reborn into oneness with the Christ mind and the entire cosmic hierarchy of which I am an extension.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I am willing to have you take me through a systematic process of shattering all illusions that cause me to believe I am a victim of matter. I am willing to take dominion over the four levels of my mind and let the Christ vision replace all collective illusions.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I experience the reality that I am the Christ mind, for without it was not anything made that was made, including my Conscious You. Thus, with Christ it is indeed possible for the mind to heal the physical body, for the body is only an extension of the mind.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,**

the Golden Age is given birth.

Sealing

In the name of the Divine Mother, I call to Mother Mary and Archangel Raphael for the sealing of myself and all people in my circle of influence in the creative flow of the Divine Mother, the River of Life. I call for the multiplication of my calls by all representatives of the Divine Mother, so that we form the perfect figure-eight flow of "As Above, so below." Thus, I accept that this is fully manifest, because the mouth of the Lord, the Divine Mother that I AM, has spoken it. Amen.

Healing the Emotional Body

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary and Archangel Raphael, Elohim Cyclopea and Virginia, Hilarion and all healing masters and angels to envelop and fill my emotional body with your all-penetrating, all-accelerating healing flame, that restores everything to the immaculate wholeness for my lifestream, making my emotional body the ideal instrument for the fulfillment of my Divine plan in this lifetime and for my ascension. I especially call for:

(Make personal calls)

Part 1

1. Mother Mary, I am aware that I am a co-creator with the cosmic hierarchy above me. I co-create by using the energy I receive from my I AM Presence and the ascended masters. I need no energy from this world in order to co-create.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I am aware that when I became blinded by the illusion that says I am a separate being, I did not experience the stream of energy from above. Thus, I thought I needed energy from this world.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I am aware that this set up a reverse energy flow, where my emotional body became an inroad for the energies from the collective consciousness and even from dark forces.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that this means I now have subconscious selves that take in fear-based energies from this world, and this affects both my feelings, my thoughts and my sense of identity.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I am willing to have you take me through a systematic process whereby I close and seal my four lower bodies to this reverse energy flow.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I want to return to the state of innocence, where energy only flows downwards from my I AM Presence and there is no energy flowing from this world into my four lower bodies.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, in order to achieve this, I am willing to look at all subconscious selves that make me see myself as a separate being, make me think my mind has no power over matter or make me feel like I need something from this world.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

O Mother Mary, all is healed,

**as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am willing to see all reactionary patterns that cause me to open my energy field to the lower energies in this world. I want to return to the state where energy only flows outward from my Presence, and no energy flows inwards from the world.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I am willing to have you take me through a systematic process, whereby I take command over my sense of identity, my thoughts and my feelings, so I have dominion over these three bodies and can maintain the natural energy flow from Above to below.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I am aware that my separate selves will resist this because they can only be fed by fear-based

energies, whether they come from the world or whether I produce them internally.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I am aware that these subconscious selves want me to react to the world in such a way that I either take in fear-based energy or that I produce it myself.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am willing to have you take me through a systematic process of becoming aware of my emotional patterns, so I can see that my reactions are based on the illusions created through the veil of separation.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,**

**to co-create a better earth,
the Golden Age is given birth.**

Part 2

1. Mother Mary, I am aware that when I take command over my identity and mental bodies, these two bodies set the parameters for how I react to the world. Thus, my emotions will ideally fall within these parameters.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I am aware that when I take command over my identity and mental bodies, I can also take command over my emotional body, and thus I can keep it sealed off from any energies from this world.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I hereby take ownership of my identity, mental and emotional bodies by accepting that Christ is the head of the household, and as the Conscious You I am indeed the Christ in my Being.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that since everything is made out of the Christ consciousness, my Conscious You is already the Christ consciousness, for how else could I be aware of myself?

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I am aware that because I am already the Christ consciousness, I can let any subconscious self die, and when I do, I am reborn as a new being in Christ.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I want to be reborn as a new being who does not react to this world, and thus does not need to take in anything from this world. Instead, I am focused on giving to this world by being the open door for the flow of energy from the cosmic hierarchy.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I am aware that emotions are energy in motion, meaning that my emotional body is always moving. Instead of seeking to stop or calm my emotions, I will redirect my emotions based on the Christ mind.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am realigning my emotions with the Christ mind so I can flow with the River of Life, instead of being blown hither and yon by the currents in the collective consciousness.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,**

and I am free from worldly tie.

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, it does not matter to me at all that most people around me are trapped in fear-based emotional patterns. I have a right to keep my emotional body completely sealed off from the mass consciousness or from the emotions of specific people close to me.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I hereby claim my right to feel what I want to feel and not what other people, the mass consciousness or the fallen beings project that I should feel.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I hereby declare my independence from the emotional

projections of all beings trapped in duality and separation.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I hereby declare my right to let the Light of Christ flow through my emotions and to flood my emotional body, so I never feel a need to take in any energies or projections from this world.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 3

1. Mother Mary, my emotional body is an open door for the ever-flowing, inexhaustible stream of spiritual energy that flows from the entire cosmic hierarchy into this world.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,**

**in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, my emotional body is not sealed off from the world, it is simply so filled with the ever-flowing stream of cosmic energy that no lower energies can enter.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I am aware that there is a certain momentum among spiritual people of wanting to calm the emotions and attain peace of mind. Yet I am not seeking to stop all emotions; I am letting the higher energies transform the lower energies.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that higher energies can only flow into my emotional body when I am not seeking to use them for the purposes of the separate selves, but I am seeking to raise the whole.

**O Mother Mary, I am free,
reborn to new identity,**

**in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I am willing to have you take me through a systematic process of transforming my approach to life, whereby I shift from focusing on protecting myself from the world to giving to the world.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I am aware that the cosmic hierarchy has unlimited energy and ideas they want to give to the world, but they need those in embodiment who are willing to be the open doors through which this can be given.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I am willing to be an open door for the cosmic hierarchy to give the gifts that you want to give through me.

Thus, I am not seeking to suppress or even calm my emotions, I am seeking to let the higher energies flow through my emotional body.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am willing to have you take me through a systematic process, whereby I shift from being focused on protecting myself in order to avoid lower emotions, to where I am focused on being creative and allowing creative emotions to flow through me.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I am willing to have you help me experience creative emotions, as opposed to the kind of emotions I have experienced thus far.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

O Mother Mary, I now see,

**that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I am willing to experience that the River of Life flows through me and that the cosmic energies transform all lower energies stored in my identity, mental and emotional bodies.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, my emotional body is the open door for the flow of the creative energies of the cosmic hierarchy, transforming my life and transforming life on earth.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, my emotional body is the Fountain of Youth where everything becomes new in the bubbling, ceaselessly flowing energies of the Holy Spirit, that can transform anything that is apart from the River of Life. For it never accepts that any part of life could be apart from the River of Life.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Sealing

In the name of the Divine Mother, I call to Mother Mary and Archangel Raphael for the sealing of myself and all people in my circle of influence in the creative flow of the Divine Mother, the River of Life. I call for the multiplication of my calls by all representatives of the Divine Mother, so that we form the perfect figure-eight flow of "As Above, so below." Thus, I accept that this is fully manifest, because the mouth of the Lord, the Divine Mother that I AM, has spoken it. Amen.

Healing the Physical Body

In the name of the I AM THAT I AM, Jesus Christ, I call to Mother Mary and Archangel Raphael, Elohim Cyclopea and Virginia, Hilarion and all healing masters and angels to envelop and fill my physical body with your all-penetrating, all-accelerating healing flame, that restores everything to the immaculate wholeness for my lifestream, making my physical body the ideal instrument for the fulfillment of my Divine plan in this lifetime and for my ascension. I especially call for:

(Make personal calls)

Part 1

1. Mother Mary, I am aware that my physical body is not made of a substance that is different from my emotional, mental and identity bodies. My physical body is an energy field.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I am aware that my physical body is not separated from my energy field. It is simply the densest part of my total energy field. My body is truly vibrating energy.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I am aware that my physical body is made up of the Ma-ter light, which can take on any form, but it cannot take on form by itself.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that my physical body is truly created and upheld by a mental image that is being projected onto the Ma-ter light by the contents of my identity, mental and emotional bodies.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I am aware – and I fully accept – that if the image projected upon the Ma-ter light changes, then the form of

the light will change, meaning my physical body will also change. It cannot be any other way because my physical body has no life apart from the Ma-ter light, and the Ma-ter light has no form apart from the image projected upon it.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I am aware that my physical body only feels solid to the physical senses, and it only seems to have continuity to the outer mind. In reality, my physical body is no more solid than the image projected upon a movie screen. If the projection changes, the image on the screen will also change.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I am willing to have you take me through a systematic process of questioning the illusion that my body has solidly and permanence and therefore, it is difficult to heal the body. I accept that it is possible to heal the body by changing the image projected upon the Ma-ter light with my identity, mental and emotional bodies.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am aware that there is an enormous projection from the collective consciousness and from dark forces, that seeks to prevent me from accepting what you are telling me. I am willing to be free of this projection.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I ask for your protection from this projection, and I ask you to help me see the separate selves that make me vulnerable to this projection.

**O Mother Mary, what a sound,
that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, help me see that to the separate selves, it will always seem impossible to heal the body with the mind. The separate selves can only see the body as separated from the mind.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, help me see that only the Christ mind can see the underlying oneness behind the veil of form, the veil of Maya. Only my Conscious You can connect to the Christ mind, and I am indeed willing to have you help me step outside of the separate selves and experience that with Christ healing is possible.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am aware and I fully accept that because everything was made out of the Christ mind, the Christ mind is within every form. Thus, when I see the Christ mind in any bodily condition, that condition can indeed be brought into alignment with the vision of Christ.

O Mother Mary, you are here,

**filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 2

1. Mother Mary, I am aware that the physical body has always been a challenge or an enigma for spiritual people. Thus, there are contradictory attitudes towards the body that I have been affected by in this and past lives.

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I am aware that it will seem like I have to go through a contradictory process in order to change my view of the physical body. I have to start by accepting that I am NOT the physical body because I am a spiritual being and I can exist independently of my physical, emotional, mental and identity bodies.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

O Mother Mary, I let go,

**of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I am aware that I need to accept that I am more than the body in order to free myself from the heavy projection from the collective consciousness that I am the body or that my mind has no power over the body. I therefore accept that I am NOT the body.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I am aware that because I am NOT the body, I can see that my Conscious You does indeed have the ability to change the contents of my identity, mental and emotional bodies, whereby I change the image projected onto the Ma-ter light, the image that forms the physical body.

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,
as in our oneness I will be.**

5. Mother Mary, I hereby accept that I can indeed change the images that produce my physical body, and I am willing to have you

take me through a systematic process of changing these images, as you have already started doing.

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, I am aware that this leads to the realization that because I am NOT the body, I can reverse the energy flow that flows from the body into my emotional, mental and identity minds. This reverse flow is what makes me feel, think or accept that the body is solid and thus I accept the illusion that my mind does not have the power to heal the body.

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, I am willing to have you take me through a systematic process for reversing this unnatural energy flow, so I can re-establish the natural energy flow, where the energy flows from my I AM Presence into my identity body, then into the mental, then into the emotional and then into the physical. Nothing from the physical body dominates or even

influences my feelings, thoughts and sense of identity.

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

8. Mother Mary, I am aware that once I have regained this natural energy flow, I need to shift and now I have to accept that I AM the body. I accept that because my physical body is a projection of my emotional, mental and identity minds and because my Conscious You in oneness with Christ has dominion over those minds, then I AM actually the physical body.

**O Mother Mary, show to me,
the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, I am aware that the difference is that I start out with a situation where my separate selves are the physical body. I have to separate myself from this and accept that I am more than the body. Yet when I have changed my identification with those separate selves, then I need to accept that I, in oneness with Christ, AM the physical body.

O Mother Mary, what a sound,

**that emanates from Holy Ground,
my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,
that Presence mine is truly me,
and in that oneness I will be,
whole for all eternity.**

10. Mother Mary, I accept that, in oneness with Christ, I have dominion over my physical body. Thus, the projection from my identity, mental and emotional bodies is no longer based on images created by the separate selves through the veil of separation. The projection is now based on the images of the Christ mind.

**O Mother Mary, by your Grace,
in hierarchy I find my place,
as I decide to co-create,
all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, I am willing to attune to the immaculate concept that you are holding for my physical body. I am willing to have you take me through a systematic process of seeing this image and accepting that this immaculate image is real.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,
society we will reform.**

12. Mother Mary, I am willing to have you take me through a systematic process of coming to accept that your immaculate concept for my physical body is the ONLY reality. Nothing else is real for my physical body, for only that which is based on the Christ mind is real.

**O Mother Mary, you are here,
filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

Part 3

1. Mother Mary, I am aware that my Conscious You is made out of the Christ mind, and thus it is real, I AM real. Everything coming from the separate mind is unreal. Thus, since my Conscious You is real, I accept that: "That, which is real cannot be affected by that, which is unreal."

**O Mother Mary, body mine,
is truly, fully, wholly thine,
my body elemental free,
as every illness healed by thee.**

**O Mother Mary, you are real,
and therefore every wound you heal,
in Mother's Garden I feel free,
from all that used to burden me.**

2. Mother Mary, I accept that any imperfect condition in my physical body can only come from the separate mind, and thus it is unreal. Therefore, I accept that only the

immaculate vision of the Christ mind is real for my physical body.

**O Mother Mary, feelings mine,
are truly, fully, wholly thine,
my feeling body filled with grace,
all traumas it does now erase.**

**O Mother Mary, I let go,
of all that pulls me from below,
your Healing Flame is such a Grace,
all my mistakes it does erase.**

3. Mother Mary, I accept that you are holding the immaculate concept for me being the Christ in my four lower bodies, and I do indeed accept that I AM Christ in my being and world.

**O Mother Mary, thinking mine,
is truly, fully, wholly thine,
my mental body crystal clear,
as Mother's Presence is now here.**

**O Mother Mary, so sublime,
uplifting me beyond all time,
whatever was still in my past,
I feel that it has truly passed.**

4. Mother Mary, I completely accept that I am the Christ in my four lower bodies! I fully accept that the Christ vision for my body is the only reality! I accept that your Immaculate Concept is physically manifest, right now! I AM this body!

**O Mother Mary, I am free,
reborn to new identity,
in pure awareness I am whole,
as I let go of worldly soul.**

**O Mother Mary, from beyond,
to earth I need no more respond,
in Mother's Garden I am free,**

as in our oneness I will be.

5. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

**O Mother Mary, I feel free,
surrender is the master key,
all selves I simply can let go,
as healing grace you do bestow.**

**O Mother Mary, I'm with you,
my mind is one, no longer two,
divisions have no hold in me,
my aura is all filled with thee.**

6. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

**O Mother Mary, sacred tone,
from all past errors does atone,
I hear the sound of Mother's Bell,
that sets me free from death and hell.**

**O Mother Mary, I will flow,
as I now have the will to grow,
in life's own river I transcend,
as ego I no more defend.**

7. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

**O Mother Mary, in your Grace,
you set me free from every trace,
of fallen beings and their lies,
you raise my gaze to lofty skies.**

**O Mother Mary, all is healed,
as Mother's Vision is revealed,
with single eye I do now see,
that oneness is reality.**

the selves that keep me far from thee,
I now surrender dual lie,
and I am free from worldly tie.**

**O Mother Mary, I now see,
the world is unreality,
yet in my core I also feel,
the conscious me is truly real.**

9. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

my heart in sync with Mother's heart,
as nothing will keep us apart.**

**O Mother Mary, I now see,

all matter does accelerate.**

**O Mother Mary, vision give,
in new awareness I will live,
as one with Christ I take my stand,
all matter is at my command.**

11. Mother Mary, in oneness with you, I accept that I AM Christ, and I declare: "I AM this body!"

the Lord, the Divine Mother that I AM, has spoken it. Amen.

**O Mother Mary, Sacred Flow,
in life's own river, all will grow,
the upward path is clear to all,
who dare to follow inner call.**

**O Mother Mary, a new age,
frees human beings from the cage,
we see that Spirit is in form,

filling up the atmosphere,
we now command the Ma-ter Light,
to manifest our sacred sight.**

**O Mother Mary, I now see,
my place in Cosmic Hierarchy,
to co-create a better earth,
the Golden Age is given birth.**

**The tuning fork in every cell,
is now attuned to Mother's Bell. (9X,
33X or as many times as you feel.)**

Sealing

In the name of the Divine Mother, I call to Mother Mary and Archangel Raphael for the sealing of myself and all people in my circle of influence in the creative flow of the Divine Mother, the River of Life. I call for the multiplication of my calls by all representatives of the Divine Mother, so that we form the perfect figure-eight flow of "As Above, so below." Thus, I accept that this is fully manifest, because the mouth of

INV16: Loving the Divine Mother – Part 1

NOTE: This invocation is part of a set of four invocations. Give Part 1 one day, Part 2 the next day and so on. After giving Part 4, go back to Part 1 and continue this cycle.

In the name of the ever-changing, ever-self-transcending Divine Father, I call to my I AM Presence to help me fully accept and embrace that I exist. Help me experience and accept myself as the pure awareness that is an individualized extension of my Creator. Help me fully embrace myself as a co-creator who is not limited by anything in the world of form. I call for this invocation to be multiplied by the entire Ascended Host, and then extended as an opportunity to all people on Earth. In accordance with the vision of Christ, I call for the resolution of the following conditions:

[Mention specific conditions.]

God is Alpha and Omega

God is Father, God is Mother, through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.
All ownership a prison wall,
and thus we rise to heed the call.

Transcendence is the Master Key,
becoming MORE is liberty.

Surrender is abundant life,
surrender overcomes all strife.
We plunge ourselves into the stream,
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,
remembering our common Source.
In balance we will always grow,
remaining in the Sacred Flow.
We see the ONE beyond all form,
as oneness is the only norm.
Residing in the Sacred Space,
enveloped in Eternal Grace.

God is Father, God is Mother,
we see God in each other.

SECTION 1

1. For millennia, countless people have seen life as a riddle, a mystery an enigma. Yet the enigma could be transcended, by contemplating one simple statement: "God is."

**Infinite Spirit, I am free
in feeling you
flow through me.**

**Infinite Spirit, I set free,
all gods that have
affected me.**

**Infinite Spirit, now I see,
you are not a god;
you are me.**

2. The mind does not easily accept this statement, because it considers it incomplete. It desperately grapples to put something after "God is..."

**Infinite Spirit, I am free
in feeling you
flow through me.**

**Infinite Spirit, I set free,
all gods that have
affected me.**

**Infinite Spirit, now I see,
you are not a god;
you are me.**

3. The mind wants to describe what God is; it wants to attach measurable and definable characteristics to God.

**Infinite Spirit, I am free
in feeling you
flow through me.**

**Infinite Spirit, I set free,
all gods that have
affected me.**

**Infinite Spirit, now I see,
you are not a god;
you are me.**

4. The mind wants to turn God into an object; it wants to objectify the infinite, the immeasurable, the indescribable, the ineffable.

**Infinite Spirit, I am free
in feeling you
flow through me.**

**Infinite Spirit, I set free,
all gods that have
affected me.**

**Infinite Spirit, now I see,
you are not a god;
you are me.**

5. The mind desperately wants to force God into its mental box, where it feels it has God under control.

**Infinite Spirit, I am free
in feeling you
flow through me.**

**Infinite Spirit, I set free,
all gods that have
affected me.**

**Infinite Spirit, now I see,
you are not a god;
you are me.**

6. The mind is addicted to the illusory sense of control, which it gains by seeing anything as an object, that can be studied from a distance.

**Infinite Spirit, I am free
in feeling you
flow through me.**

**Infinite Spirit, I set free,
all gods that have
affected me.**

**Infinite Spirit, now I see,
you are not a god;
you are me.**

7. Studying an object that is seen as different from the mind itself, means that the mind is not actually experiencing the totality of the object. It is not experiencing itself as one with the object.

**Infinite Spirit, I am free
in feeling you
flow through me.**

**Infinite Spirit, I set free,
all gods that have
affected me.**

**Infinite Spirit, now I see,
you are not a god;
you are me.**

8. From a distance, the mind sees only a mental image, an image that is created inside the mind.

**Infinite Spirit, I am free
in feeling you
flow through me.**

**Infinite Spirit, I set free,
all gods that have
affected me.**

**Infinite Spirit, now I see,
you are not a god;
you are me.**

SECTION 2

1. The beginning of wisdom is to realize that there is a difference, between experiencing reality and perceiving through the filter of a mental image.

**Infinite Wisdom, I am free
in feeling you
flow through me.**

**Infinite Wisdom, I set free,
all ideas that have
affected me.**

**Infinite Wisdom, now I see,
you are not an idea;
you are me.**

2. When the mind conceives of everything as separate objects, the mind does not have direct and pure perception of reality. Perception is based on a mental image, defined by the mind, and then projected unto what the mind has turned into a separate object.

**Infinite Wisdom, I am free
in feeling you
flow through me.**

**Infinite Wisdom, I set free,
all ideas that have
affected me.**

**Infinite Wisdom, now I see,
you are not an idea;
you are me.**

3. Thus, the mind experiences everything through impure perception, which can never give a full experience of life.

**Infinite Wisdom, I am free
in feeling you
flow through me.**

**Infinite Wisdom, I set free,
all ideas that have
affected me.**

**Infinite Wisdom, now I see,
you are not an idea;
you are me.**

4. Pure perception comes only when there is no subject and object, because the subject has dared to dissolve its sense of separateness, and come into oneness with reality.

**Infinite Wisdom, I am free
in feeling you
flow through me.**

**Infinite Wisdom, I set free,
all ideas that have
affected me.**

**Infinite Wisdom, now I see,
you are not an idea;
you are me.**

5. The most basic truth is this: God is. The true God is the source of all form, and as such is completely beyond form.

**Infinite Wisdom, I am free
in feeling you
flow through me.**

**Infinite Wisdom, I set free,
all ideas that have
affected me.**

**Infinite Wisdom, now I see,
you are not an idea;
you are me.**

6. God can never be described by any of the characteristics found in this world of form. Thus, God can never be known as long as the mind sees God as an object, that it can fit into a mental image.

**Infinite Wisdom, I am free
in feeling you
flow through me.**

**Infinite Wisdom, I set free,
all ideas that have
affected me.**

**Infinite Wisdom, now I see,
you are not an idea;
you are me.**

7. The mind thinks it can imprison God in a mental image. Yet the mind only imprisons you.

**Infinite Wisdom, I am free
in feeling you
flow through me.**

**Infinite Wisdom, I set free,
all ideas that have
affected me.**

**Infinite Wisdom, now I see,
you are not an idea;
you are me.**

8. The beginning of wisdom is the dawning realization, that there is a distinction between the mind and you. The wise ones are those who have fathomed: "I am not the mind; I am more than the mind."

**Infinite Wisdom, I am free
in feeling you
flow through me.**

**Infinite Wisdom, I set free,
all ideas that have
affected me.**

**Infinite Wisdom, now I see,
you are not an idea;
you are me.**

SECTION 3

1. The continuation of wisdom is to see the distinction between true love – unconditional, infinite, indescribable love – and conditional love.

**Infinite Love, I am free
in feeling you
flow through me.**

**Infinite Love, I set free,
all fears that have
affected me.**

**Infinite Love, now I see,
you are not a condition;
you are me.**

2. False love is the love of the separate mind, which has divided the one reality into separate objects, and now distinguishes between objects it loves and objects it hates.

**Infinite Love, I am free
in feeling you
flow through me.**

**Infinite Love, I set free,
all fears that have
affected me.**

**Infinite Love, now I see,
you are not a condition;
you are me.**

3. This is a conditional love, which claims to love that which it can seemingly control, and hates that which it cannot control.

**Infinite Love, I am free
in feeling you
flow through me.**

**Infinite Love, I set free,
all fears that have
affected me.**

**Infinite Love, now I see,
you are not a condition;
you are me.**

4. Conditional love gives rise to the desire to control, the desire to own. Yet what is not seen is, that only a separate – objectified – mind can own separate objects.

**Infinite Love, I am free
in feeling you
flow through me.**

**Infinite Love, I set free,
all fears that have
affected me.**

**Infinite Love, now I see,
you are not a condition;
you are me.**

5. This objectified mind quickly develops a desire to own other people, which causes it to struggle against the most fundamental law of the universe, the Law of Free Will.

**Infinite Love, I am free
in feeling you
flow through me.**

**Infinite Love, I set free,
all fears that have
affected me.**

**Infinite Love, now I see,
you are not a condition;
you are me.**

6. Although the mind can attain the illusory sense of ownership, the objectified mind cannot maintain it for long.

**Infinite Love, I am free
in feeling you
flow through me.**

**Infinite Love, I set free,
all fears that have
affected me.**

**Infinite Love, now I see,
you are not a condition;
you are me.**

7. The sense of ownership must of necessity become a closed system, as the serpent swallowing its own tail.

**Infinite Love, I am free
in feeling you
flow through me.**

**Infinite Love, I set free,
all fears that have
affected me.**

**Infinite Love, now I see,
you are not a condition;
you are me.**

8. Any closed system will be broken down by the force of life itself, for this is the only way to preserve the free will of all, including you.

**Infinite Love, I am free
in feeling you
flow through me.**

**Infinite Love, I set free,
all fears that have
affected me.**

**Infinite Love, now I see,
you are not a condition;
you are me.**

SECTION 4

1. True love is attained only by transcending the desire, to manipulate and control separate objects.

**Infinite Purity, I am free
in feeling you
flow through me.**

**Infinite Purity, I set free,
all values that have
affected me.**

**Infinite Purity, now I see,
you are not a value;
you are me.**

2. You must recognize that beyond the separate mind, there is a deeper longing for true love.

**Infinite Purity, I am free
in feeling you
flow through me.**

**Infinite Purity, I set free,
all values that have
affected me.**

**Infinite Purity, now I see,
you are not a value;
you are me.**

3. This love for that which is beyond the world of separate objects, is the only factor that can accelerate you beyond the illusion, that you are a separate self who owns separate objects.

**Infinite Purity, I am free
in feeling you
flow through me.**

**Infinite Purity, I set free,
all values that have
affected me.**

**Infinite Purity, now I see,
you are not a value;
you are me.**

4. Only such acceleration is the key to freedom, for when you see yourself as a separate self that owns separate objects, you will be owned by the objects and the sense of ownership itself.

**Infinite Purity, I am free
in feeling you
flow through me.**

**Infinite Purity, I set free,
all values that have
affected me.**

**Infinite Purity, now I see,
you are not a value;
you are me.**

5. Thus, comes a moment of truth, where one must ask: "What is the mind that wants to relate to everything as a separate object?"

**Infinite Purity, I am free
in feeling you
flow through me.**

**Infinite Purity, I set free,
all values that have
affected me.**

**Infinite Purity, now I see,
you are not a value;
you are me.**

6. Contemplating this leads to the realization, that the mind that sees everything in terms of separate objects is itself a separate object.

**Infinite Purity, I am free
in feeling you
flow through me.**

**Infinite Purity, I set free,
all values that have
affected me.**

**Infinite Purity, now I see,
you are not a value;
you are me.**

7. Yet in identifying this separate mind as an object, an inescapable question arises: "What is it that can identify the mind as a separate object?"

**Infinite Purity, I am free
in feeling you
flow through me.**

**Infinite Purity, I set free,
all values that have
affected me.**

**Infinite Purity, now I see,
you are not a value;
you are me.**

8. "Am I the mind that is a separate object, or am I more than this separate mind?"

**Infinite Purity, I am free
in feeling you
flow through me.**

**Infinite Purity, I set free,
all values that have
affected me.**

**Infinite Purity, now I see,
you are not a value;
you are me.**

SECTION 5

1. The beginning of knowing truth is the realization, that the self is more than the separate mind. For otherwise, how could the self identify the mind as something separate from itself?

**Infinite Truth, I am free
in feeling you
flow through me.**

**Infinite Truth, I set free,
all images that have
affected me.**

**Infinite Truth, now I see,
you are not an image;
you are me.**

2. This now leads to the contemplation of what the self truly is. If the self is more than the separate mind, how can the self be conceived?

**Infinite Truth, I am free
in feeling you
flow through me.**

**Infinite Truth, I set free,
all images that have
affected me.**

**Infinite Truth, now I see,
you are not an image;
you are me.**

3. Beginners on the path will attempt to describe or conceive of the self, by using

the mental images of the separate mind. They will attempt to turn the self into an object, that can be studied and “understood” from a distance.

**Infinite Truth, I am free
in feeling you
flow through me.**

**Infinite Truth, I set free,
all images that have
affected me.**

**Infinite Truth, now I see,
you are not an image;
you are me.**

4. Yet it is only the separate mind that can study objects at a distance. So if the self is more than the separate mind, then it follows that the self cannot be understood, as long as one attempts to see it as an object.

**Infinite Truth, I am free
in feeling you
flow through me.**

**Infinite Truth, I set free,
all images that have
affected me.**

**Infinite Truth, now I see,
you are not an image;
you are me.**

5. This leads to the knowledge of truth. The self can never be understood by the separate mind, because the self is not an object. The self is pure awareness and has no objectifiable characteristics.

**Infinite Truth, I am free
in feeling you
flow through me.**

**Infinite Truth, I set free,
all images that have
affected me.**

**Infinite Truth, now I see,
you are not an image;
you are me.**

6. The separate mind reels at this realization, and will invent all kinds of desperate arguments in order to reject it.

**Infinite Truth, I am free
in feeling you
flow through me.**

**Infinite Truth, I set free,
all images that have
affected me.**

**Infinite Truth, now I see,
you are not an image;
you are me.**

7. A wise student realizes, that this is the separate mind's desperate attempts, to keep itself relevant by maintaining the illusion that everything can be objectified.

**Infinite Truth, I am free
in feeling you
flow through me.**

**Infinite Truth, I set free,
all images that have
affected me.**

**Infinite Truth, now I see,
you are not an image;
you are me.**

8. And truly, every "thing" can be objectified, but the truth is that the self is not a thing, and thus can never be objectified. The self can never understand itself, but the self can experience itself as pure awareness.

**Infinite Truth, I am free
in feeling you
flow through me.**

**Infinite Truth, I set free,
all images that have
affected me.**

**Infinite Truth, now I see,
you are not an image;
you are me.**

SECTION 6

1. The self is born out of the desire to experience. It is born from the Creator's desire to experience its creation from the inside.

**Infinite Peace, I am free
in feeling you
flow through me.**

**Infinite Peace, I set free,
all desires that have
affected me.**

**Infinite Peace, now I see,
you are not a desire;
you are me.**

2. Thus, the Creator extends itself as a localized self, that is sent into the world of form, to experience being a part of this world of parts.

**Infinite Peace, I am free
in feeling you
flow through me.**

**Infinite Peace, I set free,
all desires that have
affected me.**

**Infinite Peace, now I see,
you are not a desire;
you are me.**

3. Yet the fact that the self is a part in a world of parts, does not necessitate, that the self sees itself as being apart from its source.

**Infinite Peace, I am free
in feeling you
flow through me.**

**Infinite Peace, I set free,
all desires that have
affected me.**

**Infinite Peace, now I see,
you are not a desire;
you are me.**

4. In truth, nothing is separated from its source, for no part is set apart from the whole. All is part of the one great symphony of creation.

**Infinite Peace, I am free
in feeling you
flow through me.**

**Infinite Peace, I set free,
all desires that have
affected me.**

**Infinite Peace, now I see,
you are not a desire;
you are me.**

5. By its nature, the self is given the ability to experience the whole from a localized vantage point. Yet seeing the whole from a localized vantage point, is still seeing that all parts are unified in the whole.

**Infinite Peace, I am free
in feeling you
flow through me.**

**Infinite Peace, I set free,
all desires that have
affected me.**

**Infinite Peace, now I see,
you are not a desire;
you are me.**

6. In order to give the self the ability to truly appreciate the wonder, that all parts of the whole are expressions of the one underlying reality, the self is also given the ability to experience the parts as being separate.

**Infinite Peace, I am free
in feeling you
flow through me.**

**Infinite Peace, I set free,
all desires that have
affected me.**

**Infinite Peace, now I see,
you are not a desire;
you are me.**

7. This experience cannot be attained, while the self perceives the world, through the pure perception of its original state.

**Infinite Peace, I am free
in feeling you
flow through me.**

**Infinite Peace, I set free,
all desires that have
affected me.**

**Infinite Peace, now I see,
you are not a desire;
you are me.**

8. So for the self who desires to have this experience, it is necessary to define a filter, through which the world is perceived. And this act inevitably creates a separate mind.

**Infinite Peace, I am free
in feeling you
flow through me.**

**Infinite Peace, I set free,
all desires that have
affected me.**

**Infinite Peace, now I see,
you are not a desire;
you are me.**

SECTION 7

1. Once the separate mind is born, it begins to see every part of the world as a separate object. Thus, the separate mind sees even the self as a separate object.

**Infinite Freedom, I am free
in feeling you
flow through me.**

**Infinite Freedom, I set free,
all feelings that have
affected me.**

**Infinite Freedom, now I see,
you are not a feeling;
you are me.**

2. The self created the separate mind, in order to experience the world as a compilation of separate objects, rather than a unified whole springing from one source.

**Infinite Freedom, I am free
in feeling you
flow through me.**

**Infinite Freedom, I set free,
all feelings that have
affected me.**

**Infinite Freedom, now I see,
you are not a feeling;
you are me.**

3. Thus, when the self experiences the world through the filter of the separate mind, it experiences itself as an object, separated from its source and from all other parts of the whole.

**Infinite Freedom, I am free
in feeling you
flow through me.**

**Infinite Freedom, I set free,
all feelings that have
affected me.**

**Infinite Freedom, now I see,
you are not a feeling;
you are me.**

4. At first, this seems like a great liberation to the self. For it now sees itself as a separate being, who can experience pain and pleasure independently of anything

outside its “self.” It has the sense that it can do anything it desires, according to its own standard.

**Infinite Freedom, I am free
in feeling you
flow through me.**

**Infinite Freedom, I set free,
all feelings that have
affected me.**

**Infinite Freedom, now I see,
you are not a feeling;
you are me.**

5. What the self does not see is, that this experience of “liberation” comes with a price. For what the self has through the separate mind, is a conditional experience.

**Infinite Freedom, I am free
in feeling you
flow through me.**

**Infinite Freedom, I set free,
all feelings that have
affected me.**

**Infinite Freedom, now I see,
you are not a feeling;
you are me.**

6. The self is no longer free to choose its own state of mind, its own life experience, independently of conditions in the world of form.

**Infinite Freedom, I am free
in feeling you
flow through me.**

**Infinite Freedom, I set free,
all feelings that have
affected me.**

**Infinite Freedom, now I see,
you are not a feeling;
you are me.**

7. Instead, the self is now imprisoned behind a veil of illusion, thinking it has to react and experience, according to the conditions defined by the separate mind.

**Infinite Freedom, I am free
in feeling you
flow through me.**

**Infinite Freedom, I set free,
all feelings that have
affected me.**

**Infinite Freedom, now I see,
you are not a feeling;
you are me.**

8. Thus, only when external conditions are as defined by this standard, can the self feel happy. When conditions are not as defined, the self is bound to feel unhappy, and no longer at peace with itself or the world.

**Infinite Freedom, I am free
in feeling you
flow through me.**

**Infinite Freedom, I set free,
all feelings that have
affected me.**

**Infinite Freedom, now I see,
you are not a feeling;
you are me.**

SECTION 8

1. The conditional experience defined by the separate mind, leads to an inevitable struggle, in which the self must now struggle against the world of separate objects.

**Infinite Father, I am free
in feeling you
flow through me.**

**Infinite Father, I set free,
all struggles that have
affected me.**

**Infinite Father, now I see,
you are not an object;
you are me.**

2. The self is bound on a treadmill of seeking to manipulate separate objects, by projecting its mental images upon everything outside itself, seeking to use its mental powers, to make every object conform to its mental image.

**Infinite Father, I am free
in feeling you
flow through me.**

**Infinite Father, I set free,
all struggles that have
affected me.**

**Infinite Father, now I see,
you are not an object;
you are me.**

3. The world has certain objects that follow laws, defined by beings with greater co-creative powers than the self. These “laws of nature” will never conform, to the standard created by the separate mind.

**Infinite Father, I am free
in feeling you
flow through me.**

**Infinite Father, I set free,
all struggles that have
affected me.**

**Infinite Father, now I see,
you are not an object;
you are me.**

4. The world has certain objects, that are also individualized selves with free will. And when these selves also see themselves as separate beings, they will not readily conform, to the standard of what they see as an external self.

**Infinite Father, I am free
in feeling you
flow through me.**

**Infinite Father, I set free,
all struggles that have
affected me.**

**Infinite Father, now I see,
you are not an object;
you are me.**

5. Thus, what the self experiences through the separate mind, will be an ongoing struggle. It can never be anything but a struggle, for the world will not readily conform, to the mental image created by the separate mind.

**Infinite Father, I am free
in feeling you
flow through me.**

**Infinite Father, I set free,
all struggles that have
affected me.**

**Infinite Father, now I see,
you are not an object;
you are me.**

6. Of course, the separate mind will never realize this. It is created to see everything as separate, so it sees the struggle, as being both stimulating and having some ultimate meaning.

**Infinite Father, I am free
in feeling you
flow through me.**

**Infinite Father, I set free,
all struggles that have
affected me.**

**Infinite Father, now I see,
you are not an object;
you are me.**

7. The separate mind believes that the struggle has meaning, even that it has an ultimate outcome. It believes that if it only finds the secret formula, then the entire world of objects, will indeed conform to its mental image.

**Infinite Father, I am free
in feeling you
flow through me.**

**Infinite Father, I set free,
all struggles that have
affected me.**

**Infinite Father, now I see,
you are not an object;
you are me.**

8. The separate mind will never see, that this is an impossible quest. If the separate mind were to see the impossibility of its quest, it would see its own unreality, and thus it would instantly dissolve.

**Infinite Father, I am free
in feeling you
flow through me.**

**Infinite Father, I set free,
all struggles that have
affected me.**

**Infinite Father, now I see,
you are not an object;
you are me.**

SECTION 9

1. The human enigma is simple. As long as the self identifies itself with, and perceives the world through, the separate mind, it will inevitably see itself as being in a struggle, against the world in which it finds itself.

**Infinite Mother, I am free
in feeling you
flow through me.**

**Infinite Mother, I set free,
all hatred that has
affected me.**

**Infinite Mother, now I see,
you are not an object;
you are me.**

2. Yet when the self identifies itself as a separate self, the struggle will inevitably give rise to frustration. It will seem to the self, as if the very world in which it lives, is opposing its efforts to attain peace of mind.

**Infinite Mother, I am free
in feeling you
flow through me.**

**Infinite Mother, I set free,
all hatred that has
affected me.**

**Infinite Mother, now I see,
you are not an object;
you are me.**

3. The self can see only one way to attain this peace, namely to force the world to conform to its mental image. And given that the world will not conform, the self begins to feel anger, even hatred towards the world.

**Infinite Mother, I am free
in feeling you
flow through me.**

**Infinite Mother, I set free,
all hatred that has
affected me.**

**Infinite Mother, now I see,
you are not an object;
you are me.**

4. The self is an expression of the Father aspect of the Creator, sent into the world of the Mother aspect. Thus, when the self realizes that the world will not conform, it begins to feel a sense of hatred towards the Mother element.

**Infinite Mother, I am free
in feeling you
flow through me.**

**Infinite Mother, I set free,
all hatred that has
affected me.**

**Infinite Mother, now I see,
you are not an object;
you are me.**

5. Hating the very world that gives the self nurturance, puts the self in a catch-22. For now it cannot see through the illusions, created by the separate mind. Everything in the world seems to confirm the basic illusion, that every thing is separate.

**Infinite Mother, I am free
in feeling you
flow through me.**

**Infinite Mother, I set free,
all hatred that has
affected me.**

**Infinite Mother, now I see,
you are not an object;
you are me.**

6. The only way to peace, is through overcoming the illusion of separation, and returning to oneness with the Father. Yet because the self is in the world of the Mother, it cannot attain direct oneness with the Father. It attains oneness only, when it no longer sees the Mother element as separated from the Father element.

**Infinite Mother, I am free
in feeling you
flow through me.**

**Infinite Mother, I set free,
all hatred that has
affected me.**

**Infinite Mother, now I see,
you are not an object;
you are me.**

7. Thus, the self must come into oneness with the Mother, before it can attain oneness with the Father. This cannot be achieved as long as the self hates the Mother, for the self seeks to run away from what it hates. Thus, hatred of the Mother can never lead to oneness with the Father.

**Infinite Mother, I am free
in feeling you
flow through me.**

**Infinite Mother, I set free,
all hatred that has
affected me.**

**Infinite Mother, now I see,
you are not an object;
you are me.**

8. The self must find a way to see beyond the mental image, that it is a separate self, existing in a world of separate objects. The self must stop seeing itself as a self. It must return to a state of pure awareness, in which it experiences that the Mother is an expression of the Father. Thus, the self attains oneness with the Father through oneness with the Mother.

**Infinite Mother, I am free
in feeling you
flow through me.**

**Infinite Mother, I set free,
all hatred that has
affected me.**

**Infinite Mother, now I see,
you are not an object;
you are me.**

God is Alpha and Omega

God is Father, God is Mother,
through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.
All ownership a prison wall,
and thus we rise to heed the call.

Transcendence is the Master Key,
becoming MORE is liberty.
Surrender is abundant life,
surrender overcomes all strife.
We plunge ourselves into the stream,
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,
remembering our common Source.
In balance we will always grow,
remaining in the Sacred Flow.
We see the ONE beyond all form,
as oneness is the only norm.
Residing in the Sacred Space,
enveloped in Eternal Grace.

God is Father, God is Mother,
we see God in each other.

**OM MANI PADME HUM (9X, 33X or
144X)**

Sealing:

Beloved Spiritual Father and beloved
Spiritual Mother, I declare that I am willing
to transcend all fear of the Father and all
hatred of the Mother. Thus, I surrender
anything within my outer mind and energy

field that is a focal point for the forces of fear and the forces of hatred. I call to Archangel Michael to seal me from all energies of fear and hatred. I call to Jesus Christ to help me see through all illusions of separation and duality. I call to Mother Mary to help me open my heart to receive and accept the full nurturance of the Mother.

I accept that I am sealed in the infinite love of my Creator and the nurturing love of the Mother of God. Beloved Mother Mary, I am willing to fully accept that I am living in the Mother, and that no thing in the Mother can separate me from my Father. I am willing to come into oneness with you, and in that oneness find peace from the struggle against the Mother and the fear of the Father. Thus, in oneness with Mother, I am free to be the Living Spirit in this world.

INV17: Loving the Divine Mother – Part 2

In the name of the ever-changing, ever-self-transcending Divine Mother, I call to my I Will Be Presence to help me fully accept and embrace that I exist in the realm of Mother. Help me experience and accept myself as pure Spirit, who can never be confined to or limited by anything in the world of Mother. Help me also accept that everything in the world of Mother comes from the same source as I. And thus, the key to oneness with my Divine Father is to first accept, embrace and come into oneness with the Divine Mother, by accepting that I, too, am an expression of the Mother.

I call for this invocation to be multiplied by the entire Ascended Host, and then extended as an opportunity to all people on Earth. In accordance with the vision of Christ, I call for the resolution of the following conditions:

[Mention specific conditions.]

God is Alpha and Omega

God is Father, God is Mother,

**Infinite Mother, I set free,

all forms that have
affected me.**

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your acceptance
filling me.**

SECTION 3

1. My identity body is filled with clarity, as I recognize that as an extension of the unbound self-awareness of my Creator, I can never truly be limited by anything in this world of form. I am truly a free Spirit, who has the right to be who I will be at any moment.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your clarity
filling me.**

2. My identity body is filled with clarity, as I see that I can only feel limited, when I no longer identify myself as an unbound Spirit, but instead identify myself as a separate self, that is defined by conditions in form.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your clarity
filling me.**

3. My identity body is filled with clarity, as I acknowledge that my free will allows me to identify myself as anything I choose, and

that any identity I have created, gives me an opportunity to experience the world from a particular vantage point.

**Infinite Mother, I am free
in feeling you

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,

filling me.**

4. My identity body is filled with clarity, as I perceive that any identity is only a filter, through which my pure awareness is experiencing the world of form. Thus, no identity can truly change the pure awareness that I AM.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,

all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your clarity
filling me.**

6. My identity body is filled with clarity, as I understand that transcending a limited sense of self is not a matter of understanding something. For what understands is the separate mind, and that is precisely what has defined the separate self.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your clarity

all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your clarity

8. My identity body is filled with clarity, as I feel an inner determination to let my limited self die, by allowing it to be dissolved in the Supernova of Pure Awareness.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your clarity
filling me.**

SECTION 4

1. My mental body is filled with wisdom, as I see that my mental body, my thought world, has so far been dominated by the separate mind, which can think only in terms of conditions.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

2. My mental body is filled with wisdom, as I recognize that my thoughts have become a closed system, a closed mental box, that

is imprisoning my unbound Spirit in a gilded cage.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

3. My mental body is filled with wisdom, as I realize how the separate mind has created an incredibly complex thought system, which has only one purpose, namely to justify its own existence.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

4. My mental body is filled with wisdom, as I know that the separate mind wants me to believe, that I need it in order to interact with the world of form.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

5. My mental body is filled with wisdom, as I recognize that the separate mind functions by creating problems, and then making me think I cannot be free until I have solved the problem.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

6. My mental body is filled with wisdom, as I recognize that my separate mind is an extension of a larger mind, which has created a veil of illusion, that makes it seem like the world is created as an epic struggle between good and evil, and that I cannot be free from the struggle until good wins.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

7. My mental body is filled with wisdom, as I see that the emperor has nothing on. The epic struggle has no reality whatsoever, in the awareness of my Divine Father and my Divine Mother.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

8. My mental body is filled with wisdom, as I feel an inner determination to let the separate mind die. I now see that I will never be free, as long as I think I have to win some ultimate battle. I will be free only when I decide to walk away from the struggle.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wisdom
filling me.**

SECTION 5

1. My emotional body is filled with peace, as I see that my emotions have been dominated by hatred. This hatred was caused by me feeling, that the Father had forced me into existence, and that the Mother was forcing me to constantly struggle against conditions.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your peace
filling me.**

2. My emotional body is filled with peace, as I see that my true identity, my true being, is pure awareness. Pure awareness does not come into existence; it has no beginning and no end.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your peace
filling me.**

3. My emotional body is filled with peace, as I realize that even though my individualization did have a beginning,

even individualization was not forced upon me by an external source.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have

all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your vitality

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your vitality

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your vitality
filling me.**

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your vitality
filling me.**

6. My physical body is filled with vitality, as I realize that the essential key to my liberation, is to realize that the body is a product of the higher levels of the mind. Thus, I do not have to let my state of mind, be affected by the state of the body.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your vitality
filling me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,

one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,

in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your gratitude
filling me.**

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your gratitude
filling me.**

5. I am filled with gratitude, as I recognize that the Mother is not separated from the Father; it is an expression of the Father. And given that I too am an expression of the Father, I too am part of the world of Mother.

one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your gratitude

in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your gratitude
filling me.**

7. I am filled with gratitude, as I see that I can attain oneness with the Father, only by fully embracing myself as the Divine Mother. It is not by withdrawing from the world, but by embracing my life in this world as the key to my growth, that I will attain oneness with my Source.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your gratitude

in feeling you
one with me.**

**Infinite Mother, I set free,

in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your luminosity
filling me.**

2. I am filled with luminosity, as I see that the Ma-ter light, is an expression of the formless Creator. Thus, it is truly beyond form, but it has the potential to take on any form.

in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your luminosity

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your luminosity

in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your luminosity

in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your luminosity
filling me.**

6. I am filled with luminosity, as I recognize that by accepting my true identity as an expression of the Father, individualized as Mother, I can fulfill my original design and have dominion over the Earth, instead of allowing the Earth to have dominion over my self-awareness.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your luminosity
filling me.**

7. I am filled with luminosity, as I recognize that the key is to never accept any conditions on Earth as being real or being beyond change. I realize that neither the Father, nor the Mother, nor my Self are objects that can be understood through the separate mind. Reality can be known only through an experience of oneness.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your luminosity
filling me.**

8. I am filled with luminosity, as I see that the Ma-ter light can as easily outpicture a higher vision as the present conditions. Thus, I feel the inner determination to let the limited self die, and be reborn into a higher self-awareness, that is then projected unto the Ma-ter light.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your luminosity
filling me.**

all forms that have
affected me.**

in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wONEder

in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wONEder
filling me.**

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wONEder
filling me.**

6. I am filled with wONEder, as I experience the unbound love of the Divine Mother, in recognizing that the Mother will always reflect back exactly what I send out. Thus, the moment I stop projecting images through the separate self, at that moment the Mother will stop giving me limited circumstances.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wONEder
filling me.**

7. I am filled with wONEder, as I experience the unbound love of the Divine Mother, in realizing that the Mother has never seen herself, nor me, as separated from Source. Thus, the moment I stop seeing the Mother and myself through the filter of the separate mind, at that moment the entire world of Mother will instantly respond to support me.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wONEder
filling me.**

8. I am filled with wONEder, as I experience the unbound love of the Divine Mother, in seeing that it is up to me to take back my power to choose, so that I can choose to separate myself from the separate mind. I now feel the inner determination to let my separate identity die, and I accept that I am reborn in the ONENess that I AM.

**Infinite Mother, I am free
in feeling you
one with me.**

**Infinite Mother, I set free,
all forms that have
affected me.**

**Infinite Mother, I am free,
in feeling your wONEder
filling me.**

God is Alpha and Omega

God is Father, God is Mother,
through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.
All ownership a prison wall,
and thus we rise to heed the call.

Transcendence is the Master Key,
becoming MORE is liberty.
Surrender is abundant life,
surrender overcomes all strife.
We plunge ourselves into the stream,
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,
remembering our common Source.

In balance we will always grow,
remaining in the Sacred Flow.
We see the ONE beyond all form,
as oneness is the only norm.
Residing in the Sacred Space,
enveloped in Eternal Grace.

God is Father, God is Mother,
we see God in each other.

**OM MANI PADME HUM (9X, 33X or
144X)**

Sealing:

Beloved Spiritual Father and beloved Spiritual Mother, I declare that I fully accept myself as the Father expressing itself as Mother. Thus, I embrace myself as being the Divine Mother, and I accept any condition I encounter in the world of form as a supreme opportunity to grow in self-awareness.

I vow to no longer seek to withdraw from life as I encounter it on Earth. I vow to embrace life, and to use any condition I encounter as an opportunity to demonstrate that I AM Spirit, and as such I am unbound by any condition. Yet I also vow that instead of running away from conditions, I will go fully into them and see them as simply hiding the Ma-ter light and its source as unbound Spirit. Thus, I vow to see God behind all manifestations, and in that vision attain freedom from the illusion that any condition can limit the Spirit that I AM.

I accept that I am sealed in the infinite love of my Creator and the nurturing love of the Mother of God. Beloved Mother Mary, I am in full acceptance that I am living in the Mother, and that no thing in the Mother can

separate me from my Father. I am in oneness with you, and in that oneness I find peace from the sense of struggle. I am experiencing your sense of wONEder in knowing you are one with all life. Thus, I know the entire universe is united in supporting my growth towards infinitely greater levels of self-awareness. In oneness with Mother, I am free to be the Living Spirit in this world.

INV18: Loving the Divine Mother – Part 3

In the name of the ever-changing, ever-self-transcending Logos, I call to beloved Jesus and my Christ self to help me fully see through the illusions of duality. Help me experience that it is only the illusions of duality that have distorted my relationship with my Divine Father and my Divine Mother. Help me take full responsibility for myself, and never again blame anything on my Divine Father and my Divine Mother. Help me accept the ability of my I Will Be Presence to co-create any circumstance it desires, when I am the open door.

I call for this invocation to be multiplied by the entire Ascended Host, and then extended as an opportunity to all people on Earth. In accordance with the vision of Christ, I call for the resolution of the following conditions:

[Mention specific conditions.]

God is Alpha and Omega

God is Father, God is Mother, through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.
All ownership a prison wall,
and thus we rise to heed the call.

Transcendence is the Master Key,
becoming MORE is liberty.
Surrender is abundant life,
surrender overcomes all strife.

We plunge ourselves into the stream,
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,
remembering our common Source.
In balance we will always grow,
remaining in the Sacred Flow.
We see the ONE beyond all form,
as oneness is the only norm.
Residing in the Sacred Space,
enveloped in Eternal Grace.

God is Father, God is Mother,
we see God in each other.

filling me.**

8. Or will the student attempt to force the Living Christ to live up to its dualistic images, forcing the Living Christ to rebuke the student by exclaiming: "Get thee behind me, Satan."

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

SECTION 5

1. The Divine Father never forced me into existence; I accepted self-awareness out of pure love.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

2. The Divine Father never forced me to have free will; I accepted free will out of pure love.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

3. The Divine Father never forced me to enter the world of form; I entered form out of pure love.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

4. The Divine Father never punished me for any choices I have made.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

5. I can make choices only because I have the opportunity, to choose between at least two potential courses of action.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

6. What sets one cause of action apart from another, is the consequences of each course of action.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

7. What makes it possible for different actions to have different consequences, is that the Divine Mother takes on the form projected by any action.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

8. The Divine Mother is not punishing me for making certain choices. The Divine Mother is simply affirming my right to make any choice, and to see the consequence of that choice.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

SECTION 6

1. Neither the Divine Father nor the Divine Mother ever projected upon me, that some actions are right and some actions are wrong.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

2. To the Christ mind, nothing is right or wrong. Every choice leads to a consequence, and every consequence is an opportunity to transcend my sense of self.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

3. When in the Christ mind, I do not see consequences in terms of right or wrong, nor even in terms of pleasant or unpleasant.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

4. I simply experience a consequence and leave it up to my I Will Be Presence to use it according to its greater wisdom. Thus, I remain the open door for the Presence to experience this world.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

5. It is only when I accept the illusion of separation, that I come to see myself as being less than the open door, as being a separate self who has to make my own choices.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

6. And when I accept the illusion of separation, I inevitably also accept the value judgment that divides consequences into good and bad.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

7. Instead of simply experiencing any consequence, I now divide experiences into those that are right and those that are wrong, those that are pleasant and those that are not pleasant.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

8. This is what makes my ego believe that when I produce good consequences, I will be rewarded. And when I produce bad consequences, I will be punished.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

SECTION 7

1. My life has now stopped being the ever-transcending flow of the Presence, shining its light upon the world.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

2. I have lost my innocence, for I am no longer simply the open door, allowing the Presence to evaluate consequences.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

3. Instead, my life has become a process of constantly evaluating my actions and their potential consequences, seeking to choose with the lower mind.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

4. Given that my lower mind does not have the expanded vision of the Presence, I will inevitably make choices which lead to consequences that my ego label as bad.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

5. Instead of simply experiencing a consequence as a neutral witness, I now think I have to feel suffering when I produce bad consequences, and feel elation when I produce good consequences.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

6. Because I experience myself as a separate being, I project that the cause of this suffering is outside myself.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

7. I think the cause of my suffering is that the Divine Father forced me into existence, and that the Divine Mother is punishing me for making bad choices.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

8. I think there is no way out of suffering. Yet the Living Christ tells me that the way out, is to stop evaluating consequences based on a dualistic value judgment.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

SECTION 8

1. In Christ, nothing is good or bad. It simply is.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

2. Only when I acknowledge that everything in form simply is what it is, can I fully be the open door for the Presence, allowing it to be who it will be in this world.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

3. Blinded by anti-christ, I think I am the doer. At first, this seems like a liberation, yet it binds me to the endless struggle.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

4. The forces of anti-christ have created innumerable versions of the epic struggle, all designed to keep me engaged in the struggle indefinitely.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

5. Yet the only way out is that I let the separate identity die, and follow Christ until I return to pure awareness, where I am the open door.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

6. I see that I am not the doer, and that I do not have to “do” anything, I do not have to win the epic struggle, or solve the problems created by the separate mind.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

7. Thus, I stop “doing” in the sense that I stop taking actions, or even making choices, as a separate self.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

8. I stop experiencing life through the filter of my separate self, and thus I stop judging after appearances. I accept that anything in this world simply is what it is; neither good nor bad.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

SECTION 9

1. When I begin to see beyond the illusion that I have to experience life as pain or pleasure, I am free to fully accept life as an incredible gift from my Divine Father.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

2. I am free to embrace life as an opportunity to be in this world, while never feeling that any form has power over me as a Living Spirit. For there is no sense of self that I cannot transcend.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

3. I am free to accept the Life of Christ, namely that I am not a fixed or even a form-based self. I am an ever-transcending self, and I am here to help the world transcend its present form.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

4. I am free from the illusion that the Divine Mother is executing the punishment, mandated by an angry God in the sky.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

5. I am free to fully embrace the Divine Mother as the ever-loving Being, who gives me opportunity after opportunity to grow in self-awareness.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

6. I am free to realize that my ultimate sense of fulfillment is to transcend any sense of self, and thereby help the world of form, help the Divine Mother, transcend its current form.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

7. I am free to see that I do this by first thinking I am confined to a certain sense of self, and then letting it die, being reborn into a higher sense of self.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

8. I am free to accept myself as a co-creator who no longer reacts to conditions in the world of form, but has dominion over the world of form. For I and my Father-Mother God are ONE.

**Living Christ, now I see
there is no truth
in duality.**

**Living Christ, I set free,
all lies that have
affected me.**

**Living Christ, I am free,
in feeling your reality
filling me.**

God is Alpha and Omega

God is Father, God is Mother,
through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.
All ownership a prison wall,
and thus we rise to heed the call.

Transcendence is the Master Key,
becoming MORE is liberty.
Surrender is abundant life,
surrender overcomes all strife.
We plunge ourselves into the stream,
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,
remembering our common Source.

In balance we will always grow,
remaining in the Sacred Flow.
We see the ONE beyond all form,
as oneness is the only norm.
Residing in the Sacred Space,
enveloped in Eternal Grace.

God is Father, God is Mother,
we see God in each other.

**OM MANI PADME HUM (9X, 33X or
144X)**

Sealing:

Beloved Living Christ, I declare that I fully accept myself as the Living Christ in action on Earth. I embrace myself as the open door that no man – including my separate self – can shut.

I vow to no longer seek to withdraw from life as I encounter it on Earth. I vow to embrace life, and to use any situation as an opportunity to be the open door for Christ truth. I vow to not withdraw from any confrontation with the illusions of anti-christ. Yet I also vow to not engage anti-christ in the dualistic struggle. I vow to remain on the Middle Way of the Buddha, which is the true LIFE of Christ.

I accept that I am sealed in the infinite love of my Creator and the nurturing love of the Mother of God. Beloved Jesus, I am in full acceptance of my identity as the open door for Christ Truth, to stream into this world and challenge the lies of anti-christ. Thus, I am willing to stand upon the Rock of Christ and rebuke the consciousness of anti-christ by declaring: “Get thee behind me, Satan.” In the ever-flowing truth of Christ: It is done; it is finished, it is sealed.

INV19: Loving the Divine Mother – Part 4

In the name of the ever-changing, ever-self-transcending Holy Spirit, I call to the Maha Chohan and my I Will Be Presence, to help me truly see the nature of LIFE and Death. Help me truly experience, how my struggles with life, are caused by my own resistance to the appearances created by duality. Help me finally understand what it takes to be free, so that I have the foundation for choosing LIFE.

I call for this invocation to be multiplied by the entire Ascended Host, and then extended as an opportunity to all people on Earth. In accordance with the vision of Christ, I call for the resolution of the following conditions:

[Mention specific conditions.]

God is Alpha and Omega

God is Father, God is Mother, through the Son, one with each other.

Oh separation is the lie,
the ego is the unseen tie.
Conditions are the subtle tools
to trap the unsuspecting fools.
All ownership a prison wall,
and thus we rise to heed the call.

Transcendence is the Master Key,
becoming MORE is liberty.
Surrender is abundant life,
surrender overcomes all strife.
We plunge ourselves into the stream,
fulfilling Heaven's highest dream.

Christ vision keeps us on our course,
remembering our common Source.
In balance we will always grow,
remaining in the Sacred Flow.
We see the ONE beyond all form,
as oneness is the only norm.
Residing in the Sacred Space,
enveloped in Eternal Grace.

God is Father, God is Mother,
we see God in each other.

SECTION 1

1. How humbling it is to consider the force, that strung the Pleiades and billions of galaxies, dancing together as in one great ballet.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

2. How humbling it is to consider the cosmic force, that projected forth space itself, and thus created a spherical womb, in which a universe could be born.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

3. Yet now consider the ultimate force of all creation, namely the force of free will, the combined will of all self-aware beings, existing in this and all other worlds.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

4. For it is only the separate mind – blinded by the illusion of anti-christ – that fails to see the reality of free will. Only a separate mind can believe, that it can exercise its own will, independently of all other self-aware beings with free will.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

5. Only a separate mind can think, that it is somehow superior, and thus its will should

be in a special category, compared to the will of others.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

6. What folly to think your will can negate the will of others; what folly to think that God favors you above other extensions of itself.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

7. Only the separate mind can fail to see, that while you can indeed do whatever you want, you have a choice only, because different options produce different consequences.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

8. Every choice produces a consequence. What folly to think, that one can make a choice without experiencing the consequence.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

SECTION 2

1. If there were no consequences, then no choice could be made. Only the folly of the separate self could desire to make choices, without experiencing the consequences.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

2. The very purpose of life is growth. One grows by making choices, experiencing the consequences, and then adjusting one's state of consciousness accordingly.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

3. Yet many are trapped in the endless cycle of evaluating consequences, based on the dualistic value judgment of right and wrong, good and evil, pleasant and unpleasant. Many are trapped in striving to make choices, that are always pleasant for the separate self.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

4. Many think that if they always reap only pleasant consequences, then the separate self has been perfected, and it will now be granted immortality, as the ultimate reward.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

5. What folly to think, that the separate self could ever be allowed into the Kingdom of God. For the Kingdom of God is a state of consciousness, in which all self-aware beings realize the one, underlying truth: all life is ONE.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

6. The separate self can never recognize this truth, for if it did, it could not remain separate. Thus, the salvation of the separate self is an impossible quest.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

7. Wise are those who realize, that the key to immortality is NOT to perfect the separate self, so that it always makes "right" choices.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

8. Wise are those who recognize, that there is a higher way to evaluate one's choices. The higher way is to recognize, that one has two basic types of choices: LIFE choices and Death choices.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

SECTION 3

1. Death choices are choices made, while seeing yourself as a separate self. You fail to see the underlying oneness of all life.

You do not consider, what consequences a choice has for others or for the whole.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

2. Thus, despite the illusions created by duality, no such choice will ever be right, from the perspective of the Christ mind. For such choices will always raise up one part of life, while putting down another.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

3. The alternative is to always make one choice, namely to be the open door for the I Will Be Presence, to express itself through you.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

4. The Presence sees the underlying reality that all life is ONE. Thus, it will always make choices that raise the whole, never putting down any other form of life.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

5. Choosing to be the open door, is recognizing that you are not the doer. The Presence is the doer, and you are a witness, neutrally experiencing life on Earth, without judging it based on any standard.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

6. As long as you are in the zone of neutrality, of inner silence, you are allowing the Presence to work through you.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

7. Yet in order to reach this inner silence, one must still the discordant and insistent voices of the outer mind, the mass consciousness and the forces of anti-christ.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

8. For they will insist, that you must indeed evaluate all choices and their consequences, according to their dualistic standard. You must win the epic battle, you must solve the problems created by the outer mind, the collective consciousness and the forces of anti-christ.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

SECTION 4

1. You will never be free of this treadmill, until you decide to take a stand with Christ and say: "Get thee behind me Satan, for thou favors not the things that be of God, but the things that be of men!"

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

2. "For I will no longer believe, that I have to do anything or solve any problems. I will put all of my attention on always being the open door, and nothing more."

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

3. When one sees that the real goal of life is to be the open door, one has stepped onto the Way of Christ. This is the Way of LIFE, for what is life? It is constant self-transcendence.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

4. What then is death? It is holding on to something that has form, be it possessions on Earth or a separate self, a fixed identity.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

5. For when one is holding on, one cannot flow with the most powerful force of the entire world of form, namely the River of Life, the flow of the Holy Spirit.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

6. What then is the force of the Holy Spirit? It is the combined force of all self-aware beings, who have chosen to transcend a limited sense of self and become MORE.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

7. Since the beginning of the expansion of space, innumerable beings have chosen LIFE. Their combined choices have generated a force, that drives the expansion of the material universe, of space itself.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

8. Because the Law of Free Will is the ultimate law, nothing can withstand the combined force, of the choices made by a majority of self-aware beings.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

SECTION 5

1. If a majority chooses death, then an entire universe will be allowed to contract. If a majority chooses LIFE, then the universe will be accelerated into the ascension spiral, becoming immortalized as a new sphere in the firmament of God's Being.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

2. The material universe is already in the ascension spiral, due to the combined choices of the majority of the self-aware beings, inhabiting the four levels of matter. They have chosen LIFE, they have chosen to be the open doors, for raising the whole into the ascension spiral.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

3. You have a right to choose death. Yet whatever you choose, you will experience the consequences of your choice.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

4. Only fools demand the right to make choices, without experiencing the consequences. For only fools fail to see, that if there is no consequence, then no choice can be made.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

5. Why would any being choose death?
Because it has the desire to become as a
God, who can know – and define – good
and evil.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

6. Death choices started in a previous
sphere, when certain beings decided, that
they wanted to oppose the Creator's plan
to raise up all life. Instead, they wanted to
raise themselves above others.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

7. These beings decided, that they wanted
to play the ultimate power game, namely
that of striving for the power of God,
without attaining the God consciousness,
which sees all life as ONE. They wanted
the power of a God, while remaining
separate beings.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

8. This is an impossible quest. For truly, as
all life is an extension of the Creator's
Being, all life is ONE. And thus, no
separate being can ever attain greater
power than the whole of life. For oneness
is the only key to ultimate power.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

SECTION 6

1. The Law of Free Will mandates, that any being is allowed to have any experience it desires. And the Divine Mother has vowed to take on the forms, that can accommodate any desire.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

2. So the fallen beings were allowed, to use the consciousness of anti-christ, to create the illusion, that they had their own separate world. A world in which they defined the rules—not God.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

3. Of course, the Law of Free Will also mandates, that while a being can have any experience it wants, it cannot have it forever.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

4. The reason is that while beings can create the illusion, that they are separated from the whole, in reality all life is ONE. Thus, a being with free will cannot forever isolate itself, from the free will of all other beings in its sphere.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

5. The consequence is, that when beings desire to set themselves apart from the whole, they can do so only, by going against the force of the Holy Spirit, the force generated by the combined choices of the majority.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

6. The consequence of going against the force of the Holy Spirit, is that one must constantly resist the most powerful force in the universe. And this will inevitably turn one's life into a constant struggle.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

7. There is only one cause of this struggle, namely that an individual being has chosen, to go against the LIFE choices of the majority.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

8. Thus, no being has ever been forced to enter the struggle. It is always the result of a choice made by the individual being, a decision to choose the death of separation over the LIFE of oneness.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

SECTION 7

1. Yet it is the nature of duality, that once a being walks through the veil of separation, it will no longer acknowledge, that the constant struggle is simply the consequence of choosing death. And thus, the experience of a struggle is exactly, what this being wanted to have.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

2. From the moment the first beings fell into duality, they have failed to take responsibility for their own choices. They have failed to acknowledge, that the

experience they are having is the experience they wanted.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

3. Instead, they have projected the graven image, that it was the Divine Father, who forced them out of his kingdom, and that it is the Divine Mother, who opposes them and turns their lives into a struggle.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

4. The wise ones see, that this is exactly the experience these beings wanted to have. They wanted to have ultimate power as separate beings. Thus, they inevitably have to take this power through force, turning their lives into a constant struggle against something.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

5. For how can you see yourself as a separate being, unless you also see everything else as separate from your self? And thus, you have created the ultimate power game, where you seek to force everything outside of you, to comply with your will.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

6. Thus, the Earth is set up as a reality simulator, that allows beings to have the experience, that they have some ultimate form of power in this world. For they have done what they wanted, yet projected that they were forced to do so. And thus, it is "justifiable" that they oppose what forced them.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

7. Of course, the Earth is not isolated from the rest of the universe, and thus it requires great force, to attain the sense of power, and it requires a constant struggle to maintain it.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

8. Yet this is exactly what beings trapped in duality want to experience. They may think, that they want to keep a certain state of superiority or power. Yet in reality, they want to experience the struggle for superiority, that is not possible, when one realizes that all life is ONE.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

SECTION 8

1. Wise are those who realize, that Planet Earth has entered an accelerated spiral, where playing the ultimate power game requires greater and greater force.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

2. Wise are those who decide, that they will no longer support the fallen beings, in their impossible quest, to prove themselves more powerful than God.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

3. Wise are those who realize, that the only way to separate oneself from this epic struggle, is to allow the separate sense of self to die, to lose this separate "life" in

order to be reborn, as a being who sees nothing external to one's self.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

4. Wise are those who realize, that letting the separate self die, can be achieved only, when one is willing to give up all resistance, all use of force against something external.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

5. One must follow the call of Christ to not resist evil. Yet one must go beyond and follow the higher call of Christ, namely to not even strive for good. One must stop playing the dualistic game, of resisting evil while seeking to attain relative good through force.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

6. Wise are those who realize, that the entire epic struggle is created, as an illusion in the mind of anti-christ. Thus, any attempt to engage in this battle, will set oneself apart from the flow of the Holy Spirit.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

7. Only those who turn the other cheek to both evil and good, only those who remain unmoved by any relative appearance, will be free from resistance, will be free to flow with the River of Life, instead of resisting life, by holding on to the appearances of death.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

8. Only those who understand the true nature of life and death, will be free to CHOOSE LIFE.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

SECTION 9

1. I hereby acknowledge, that the Living Christ has set before me LIFE and Death. Thus, I consciously choose LIFE. I choose to give up the desire to elevate my separate self to some ultimate status.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

2. I give up the quest for ultimate power, the desire to define my own rules, according to which I am always right, and

according to which even God can be made wrong.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

3. I give up the desire to be as a God, who can define what is good and evil, and thus always set myself up as being good, seeing all who oppose me as evil.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

4. I choose to recognize, that all life is ONE, and thus what I do to others, I am also doing to my own greater self. Thus, the ultimate way to raise up my self, is to raise up my whole self, by raising up the All.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

5. I choose to recognize, that the epic mindset has created the illusion, that something has gone wrong with God's plan, and thus I must correct my own past choices or the choices of others. Instead, I see that the only way to raise up the All is to transcend the past.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

6. I see that being trapped in the impossible quest of the fallen beings, the quest to correct God's mistake, is actually crucifying myself. For I am nailed to the cross of perpetual resistance, against what I myself have defined as evil. Thus, I am truly fighting against myself.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

7. I let go of the very consciousness of Satan itself, namely that I am somehow bound by past choices. Thus, I acknowledge the truth of Christ, namely that the only way to be free of a choice is to let go of the consciousness that caused me to make that choice. I now joyfully give up the ghost of my separate self, and I allow it to die on the cross.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

8. I now recognize the truth of Christ, namely that I AM always free to make choices that transcend my past choices. Doing this, is flowing with the Holy Spirit, which is constantly raising up all life through self-transcendence. Thus, I slip into the rushing stream of the Holy Spirit. I AM forever flowing with the ONE stream of the ONE Spirit that IS LIFE.

**O Holy Spirit, now I see,
transcendence is
the master key.**

**O Holy Spirit, I set free,
my present sense
of identity.**

**O Holy Spirit, I AM free,
to flow with you
in Infinity.**

Decree

**Oh Mother Mary, we release
all thoughts and feelings less than
peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

[Repeat this decree 9X, 33X or as many times as you like before completing the invocation.]

**OM MANI PADME HUM (9X, 33X or
144X)**

Sealing:

Beloved Mother Mary, I now fully see that the Mother has never opposed or punished me. My sense that life in the Mother realm is a struggle, was caused by my own blindness. It was the blindness of the fallen consciousness, that caused me to blame God my Father and God my Mother, for having reaped the consequences of my own choices.

I now see, that my Divine Father and my Divine Mother never blame me for anything. It was the fallen consciousness, that caused me to think I had to blame myself. And because this feeling of being to blame was unbearable, I sought to project the blame outside myself.

I now see, that even blame becomes a power game, where I seek to project ultimate blame upon someone else, so that I appear blameless in comparison. I also see that the only way to be truly blameless, is to let go of the consciousness of blame. I thus choose to forgive God the Father, to forgive God the Mother, to forgive all other people and to forgive myself.

I let go of even the consciousness, that there is something to forgive. For I see that nothing has gone wrong in the great outplaying of free will, as the ultimate key to self-transcendence. I accept that I have made my own choices, and that I have the right to make the choice to rise above my previous choices. And in that acceptance, I can finally let go and fully join the River of Life. Thus, I am free to fully embrace my life in the Mother realm, by being one with the rushing, unstoppable force of life itself, the force of the ONE Spirit, the Holy Spirit. In oneness I am sealed, forevermore, as I AM MORE.

INV04: Invocation for Clearing the Heart

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Mother of Light, Amen.

In the name of the I AM THAT I AM, Jesus Christ, I dedicate this invocation to the manifestation of the perfect vision of Christ in . . .

(insert personal prayer here).

I honor the heart

I honor my heart as the very center of my Being. I honor my heart as the beginning of my thoughts, feelings and actions. I AM willing to purify my heart of all imbalances and imperfections.

I AM willing to follow Jesus' command to love the Lord my God with all my heart, and with all my soul, and with all my mind, and to love my neighbor as myself. I AM willing to be among the pure in heart who shall see God. I AM willing to know the condition of my heart, to see all imperfections and to surrender them so that they are consumed by the Flame of God that I AM.

I acknowledge that where my treasure is, where my desires are, there will my heart be also. I AM willing to purify my desires of all that is less than my divine plan and the immaculate concept for my life. I AM willing to draw nigh unto my God Flame with my heart, so that I can lay up for myself

treasures in Heaven and give up the desires for the things of this world.

I AM willing to purify my heart that it may be the good treasure that brings forth much good fruit. I AM willing to purify my heart, that my every word will flow from a balanced Threefold Flame, and express God's power, wisdom and love in perfect harmony, purifying the Mother Light of all imperfect images.

I draw nigh to God with my heart. I AM willing to see with my eyes, and hear with my ears, and understand with my heart, and be converted, and healed by the Living Christ. I honor God with every aspect of my Being, and my every thought, feeling, word and action seeks to lift up all life and bring God's kingdom to Earth.

My treasure is the kingdom of God, and that is where my heart is. I honor my heart as the Heart of God that is the open door for my God Flame to express itself in this world. Therefore, I and my father are one in heart.

1. Throat, Solar plexus

Hail Mary, we give praise
the Mother Light in all you raise.
In perfect balance light will stream,
in harmony our souls will gleam.

**Oh Mother Mary, we release
all thoughts and feelings less than
peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

All troubles in the heart now cease,
as Mary's love brings great release.
The rose of twelve in fullest bloom,
the soul is free to meet her groom.

**Oh Mother Mary, we release
all thoughts and feelings less than
peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

The throat is shining oh so blue,
the will of God is always true.
God's power is released in love
through Christ direction from Above.

**Oh Mother Mary, we release
all thoughts and feelings less than
peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

The solar center is at peace,
as fear and anger we release.

a glow of purple and of gold.

**Oh Mother Mary, we release
all thoughts and feelings less than
peace,
releasing now all patterns old,
we leave behind the mortal mold.**

**River of Life, eternal flow,
we will to live, we will to grow.
We will transcend and be the more,
the joy of life we do adore.**

When Mother Light and Buddha meet,
the force of darkness they defeat,
with Jesus and our saint Germain.
they bring the Golden Age again.

**Oh Mother Mary, we release
