## Part 1

1. Saint Germain, radiate into the collective consciousness of America the question: Is America really the greatest nation on earth, or is it that the American people have a need to feel, that they live in the greatest nation on earth?

your Golden Age I co-create.

**O Saint Germain, what love you bring,

your violet flame does all restore,  
with you we are becoming more.**

2 Saint Germain, radiate into the collective consciousness of America the question: Is being the greatest nation on earth a privilege, we have been given once and for all by some higher power, or is it something we have to earn and continuously live up to?

O Saint Germain, what Freedom Flame,  
released when we recite your name,  
acceleration is your gift,  
our planet it will surely lift.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

3. Saint Germain, radiate into the collective consciousness of America the question: Is being the greatest nation on earth based on size, population or military power, or is it based on a higher vision and principles?

O Saint Germain, in love we claim,  
our right to bring your violet flame,  
from you Above, to us below,  
it is an all-transforming flow.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

4. Saint Germain, radiate into the collective consciousness of America the question: If being the greatest nation on earth isn't based on raw power, what might it be based on?

O Saint Germain, I love you so,  
my aura filled with violet glow,  
my chakras filled with violet fire,  
I am your cosmic amplifier.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

5. Saint Germain, radiate into the collective consciousness of America the question: Many Americans see America as a Christian nation, so isn't it logical that America must live up to the ideals defined by Christ? What did Christ say about greatness? "He who would be greatest among you, let him be the servant of all."

O Saint Germain, I am now free,  
your violet flame is therapy,  
transform all hang-ups in my mind,  
as inner peace I surely find.

with you we are becoming more.**

6. Saint Germain, radiate into the collective consciousness of America the question: Is it a form of cognitive dissonance to see America as a Christian nation and at the same time deny that America needs to be the servant of all, but can focus on its own self-interest?

your violet flame for all is cure,  
consume the cause of all disease,  
and therefore I am all at ease.

the past no longer burdens me,  
a brand new opportunity,  
I am in Christic unity.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

8. Saint Germain, radiate into the collective consciousness of America the question: Is it cognitive dissonance to believe that America is a Christian nation, yet the freedom and prosperity of other countries is not America's problem, that America is "not my brother's keeper?"

O Saint Germain, we are now one,  
I am for you a violet sun,  
as we transform this planet earth,  
your Golden Age is given birth.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

9. Saint Germain, radiate into the collective consciousness of America the question: If America does not live up to higher principles but withdraws into narrow self-interest, is it possible America could lose its position as the greatest nation on earth?

from burden of duality,  
in oneness we bring what is best,  
your Golden Age is manifest.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

## **Part 2**

1. Saint Germain, radiate into the collective consciousness of America the question: Have Americans failed to understand the lesson in Jesus' parable about the three servants who received different numbers of talents from their master?

with you I form a figure-eight,  
your Golden Age I co-create.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

2 Saint Germain, radiate into the collective consciousness of America the question: Have Americans failed to understand, that although America was given abundant natural resources, what has made America prosperous is the willingness of Americans to multiply the talents?

O Saint Germain, what Freedom Flame,  
released when we recite your name,  
acceleration is your gift,  
our planet it will surely lift.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

3. Saint Germain, radiate into the collective consciousness of America the question: Have Americans failed to understand that multiplying the talents is not done by focusing on self-interest, but by “being the servant of all.”

O Saint Germain, in love we claim,  
our right to bring your violet flame,  
from you Above, to us below,  
it is an all-transforming flow.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,

I am your cosmic amplifier.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

5. Saint Germain, radiate into the collective consciousness of America the question: Is it possible that serving the all is actually the greater self-interest, because as you multiply your talents by serving others, the universe will multiply what you have given in an upward spiral.

O Saint Germain, I am now free,  
your violet flame is therapy,  
transform all hang-ups in my mind,  
as inner peace I surely find.

**O Saint Germain, what love you bring,

your violet flame does all restore,  
with you we are becoming more.**

6. Saint Germain, radiate into the collective consciousness of America the question: Is it possible that if America becomes self-focused and pursues a narrow vision of self-interest, then this multiplication from the universe will stop and a downward spiral will be the result?

O Saint Germain, my body pure,  
your violet flame for all is cure,  
consume the cause of all disease,  
and therefore I am all at ease.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,

the past no longer burdens me,  
a brand new opportunity,  
I am in Christic unity.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

8. Saint Germain, radiate into the collective consciousness of America the question: If there is a higher power, then if Americans are not willing to be the servant of all, how can that higher power continue to multiply, when Americans are no longer multiplying what they have been given?

I am for you a violet sun,  
as we transform this planet earth,  
your Golden Age is given birth.

your violet flame does all restore,  
with you we are becoming more.**

9. Saint Germain, radiate into the collective consciousness of America the question: Is it possible that America, by turning its focus on narrow self-interest, is in the process of losing the sponsorship of a higher power, including yourself, so that America is losing its status as the greatest nation on earth?

O Saint Germain, the earth is free,  
from burden of duality,  
in oneness we bring what is best,  
your Golden Age is manifest.

**O Saint Germain, what love you bring,

a brand new opportunity,  
I am in Christic unity.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

8. Saint Germain, radiate into the collective consciousness of America the question: If Americans could see that each nation has something unique to offer, then why is there a need to even think in terms of inferiority and superiority?

in oneness we bring what is best,

## **Part 5**

1. Saint Germain, radiate into the collective consciousness of America the question: Is the sense of inferiority, and the need to cover it with the appearance of superiority, actually a sign that people have not taken responsibility for themselves?

O Saint Germain, you do inspire,  
my vision raised forever higher,  
with you I form a figure-eight,

from you Above, to us below,  
it is an all-transforming flow.

I am your cosmic amplifier.

**O Saint Germain, what love you bring,

5. Saint Germain, radiate into the collective consciousness of America the question: Does the fear of being inferior make people unwilling to see, that they could be wrong about their leaders, as the German people in the 1930s did not want to consider that they could be wrong about Hitler?

O Saint Germain, I am now free,  
your violet flame is therapy,  
transform all hang-ups in my mind,

O Saint Germain, I'm karma-free,  
the past no longer burdens me,  
a brand new opportunity,  
I am in Christic unity.

**O Saint Germain, what love you bring,  
it truly makes all matter sing,  
your violet flame does all restore,  
with you we are becoming more.**

8. Saint Germain, radiate into the collective consciousness of America the question: Does this quest for superiority explain the fascination with superheroes, so that Americans are looking for one man to save them, rather than seeing that in a democracy, all people must be part of the solution?

O Saint Germain, we are now one,  
I am for you a violet sun,  
as we transform this planet earth,  
your Golden Age is given birth.

**O Saint Germain, what love you bring,

with you we are becoming more.**

9. Saint Germain, radiate into the collective consciousness of America the question: Will Americans look beyond the need to never be wrong, and realize that unless you are willing to be wrong among men, you cannot be right with higher principles. And you can never be right with higher principles by blindly following the blind leaders on earth. Instead, you will end up in the ditch.

O Saint Germain, the earth is free,  
from burden of duality,  
in oneness we bring what is best,  
your Golden Age is manifest.

6. Saint Germain, radiate into the collective consciousness of America the question: Is the lack of public health-care only one example, of how the lack of social awareness allows the elite to maintain a system, that allows them to make the greatest profit at the cost of the people?

your violet flame for all is cure,  
consume the cause of all disease,

earth is an appearance where nothing is real.**

### **Sealing:**

In the name of the Divine Mother, I fully accept that the power of these calls is used to set free the Ma-ter light, so it can outpicture the perfect vision of Christ for my own life, for all people and for the planet. In the name I AM THAT I AM, it is done! Amen.
