I Invoke the Spirit of Lanto

In the name I AM THAT I AM, Jesus Christ, I call to my I AM Presence to flow through the I Will Be Presence that I AM and give this invocation with full power. I call to beloved Elohim Apollo and Lumina and Hercules and Amazonia, Archangel Jophiel and Christine and Michael and Faith, Master Lanto and Master MORE to help me overcome all tendency to use wisdom as a form of competition or a weapon against others. Help me see and surrender all patterns that block my oneness with Master Lanto and my oneness with my I AM Presence, including ...

[Make personal calls]

1. I submit myself to my teacher

1. Beloved Lanto, I submit myself to you as my teacher. I am willing to have you awaken me so I can see the Buddha Nature in myself, the Buddha Nature in everything that surrounds me, and the Buddha Nature in *you* so that I will know that we are indeed equals, as all self-aware beings are equals in the reality of the light of the Wisdom of God.

Beloved Apollo, with your second ray,
you open my eyes to see a new day,
I see through duality's lies and deceit,
transcending the mindset producing defeat.

**Beloved Apollo, thou Elohim Gold,
your radiant light my eyes now behold,
as pages of wisdom you gently unfold,
I feel I am free from all that is old.**

2. Ultimate wisdom is that all life is one, that all is the Buddha Nature, and thus, differentiation in form does not mean differentiation in value.

Beloved Apollo, in your flame I know,
that your living wisdom is always a flow,
in your light I see my own highest will,
immersed in the stream that never stands still.

**Beloved Apollo, your light makes it clear,
why we have taken embodiment here,
working to raise our own cosmic sphere,
together we form the tip of the spear.**

3. Value is a wholly artificial concept created by the mind that has separated itself from the reality of wisdom, that has created the illusion that it is separated from the Buddha Nature, that the Buddha Nature is not where it is, that the separate mind has created a separate abode that has somehow shut out the Buddha Nature.

Beloved Apollo, exposing all lies,
I hereby surrender all ego-based ties,

I know my perception is truly the key,
to transcending the serpentine duality.

**Beloved Apollo, we heed now your call,
drawing us into Wisdom's Great Hall,
exposing all lies causing the fall,
you help us reclaim the oneness of all.**

4. Beloved Lanto, I am willing to penetrate the veils of anti-wisdom, the veils created by the separate mind, the dualistic mind, the serpentine mind, the fallen mind.

Beloved Apollo, your wisdom so clear,
in oneness with you, no serpent I fear,
the beam in my eye I'm willing to see,
I'm free from the serpent's own duality.

**Beloved Apollo, my eyes now I raise,
I see that the Earth is in a new phase,
I willingly stand in your piercing gaze,
empowered, I exit duality's maze.**

5. Beloved Lanto, I am willing for you go in and look at me, look at my state of mind, look at my particular perception filter, look at the core beliefs that make up my perception filter, and then address those beliefs.

O Hercules Blue, you fill every space,
with infinite Power and infinite Grace,
you embody the key to creativity,
the will to transcend into Infinity.

**O Hercules Blue, in oneness with thee,
I open my heart to your reality,
in feeling your flame, so clearly I see,
transcending my self is the true alchemy.**

6. I understand that, when I am at a certain level of consciousness, I cannot instantly shed all of the perception filters through which I am looking at life.

O Hercules Blue, I lovingly raise,
my voice in giving God infinite praise,
I'm grateful for playing my personal part,
In God's infinitely intricate work of art.

**O Hercules Blue, all life now you heal,
enveloping all in your Blue-flame Seal,
your electric-blue fire within us reveal,
our innermost longing for all that is real.**

7. Beloved Lanto, I am willing to be patient with myself and follow your gradual instructions. I realize that the spiritual path has certain stages. What will get me through one stage, will not get me through the next stage.

O Hercules Blue, I pledge now my life,
in helping this planet transcend human strife,
duality's lies are pierced by your light,
restoring the fullness of my inner sight.

**O Hercules Blue, I'm one with your will,
all space in my being with Blue Flame you fill,**

**your power allows me to forge on until,
I pierce every veil and climb every hill.**

8. I cannot power my way through the initiations of the Second Ray. I surrender the dream that I need to study until I find this secret book, this secret insight, the secret wisdom, that will now propel me to the mastery of the Second Ray.

O Hercules Blue, your Temple of Light,
revealed to us all through our inner sight,
a beacon that radiates light to the Earth,
bringing about our planet's rebirth.

**O Hercules Blue, all life you defend,
giving us power to always transcend,
in you the expansion of self has no end,
as I in God's infinite spirals ascend.**

9. Beloved Lanto, I realize there is a large difference between my state of consciousness and your ascended mind. I will not be discouraged by this. I will acknowledge that in order for me to tune in to your mind, I need to look beyond my current perception filter.

Accelerate my Awakeness, I AM real,
Accelerate my Awakeness, all life heal,
Accelerate my Awakeness, I AM MORE,
Accelerate my Awakeness, all will soar.

Accelerate my Awakeness! (3X)

Beloved Apollo and Lumina.

Accelerate my Awakeness! (3X)

Beloved Jophiel and Christine.

Accelerate my Awakeness! (3X)

Beloved Master Lanto.

Accelerate my Awakeness! (3X)

Beloved I AM.

2. I will attune to the initiations of the Second Ray

1. Beloved Lanto, I realize that you communicate in a way that is holistic and all-encompassing. You are not just communicating through ideas, but through feelings, sensations, experiences.

Jophiel Archangel, in wisdom's great light,
all serpentine lies exposed to my sight.
So subtle the lies that creep through the mind,
yet you are the greatest teacher I find.

**Jophiel Archangel, exposing all lies,
Jophiel Archangel, cutting all ties.
Jophiel Archangel, clearing the skies,
Jophiel Archangel, my mind truly flies.**

2. Beloved Lanto, I know that what you are seeking to communicate to me is not the words or the meaning that the linear mind attaches to those words. I want to experience the holistic communication that you are projecting from your level of consciousness towards mine.

Jophiel Archangel, your wisdom I hail,
your sword cutting through duality's veil.

As you show the way, I know what is real,
from serpentine doubt, I instantly heal.

**Jophiel Archangel, exposing all lies,
Jophiel Archangel, cutting all ties.
Jophiel Archangel, clearing the skies,
Jophiel Archangel, my mind truly flies.**

3. Beloved Lanto, I want the inner, mystical, holistic experience that will transform my consciousness. I will seek to go beyond the words so that I may experience the all-encompassing holistic nature of your communication.

Jophiel Archangel, your reality,
the best antidote to duality.
No lie can remain in your Presence so clear,
with you on my side, no serpent I fear.

**Jophiel Archangel, exposing all lies,
Jophiel Archangel, cutting all ties.
Jophiel Archangel, clearing the skies,
Jophiel Archangel, my mind truly flies.**

4. Beloved Lanto, I want to grasp enough of the qualities of the Second Ray with my outer mind so that I am able to tune in to that ray. When my mind leaves the body during sleep, I want to travel to your Royal Teton Retreat.

Jophiel Archangel, God's mind is in me,
and through your clear light, its wisdom I see.
Divisions all vanish, as I see the One,
and truly, the wholeness of mind I have won.

**Jophiel Archangel, exposing all lies,
Jophiel Archangel, cutting all ties.
Jophiel Archangel, clearing the skies,
Jophiel Archangel, my mind truly flies.**

5. Beloved Lanto, I see that your task is to help me go beyond my perception filter. I know that I come with a perception filter, and I will not expect that you will validate my perception of life. I am ready to let go of that perception filter.

Michael Archangel, in your flame so blue,
there is no more night, there is only you.
In oneness with you, I am filled with your light,
what glorious wonder, revealed to my sight.

**Michael Archangel, your Faith is so strong,
Michael Archangel, oh sweep me along.
Michael Archangel, I'm singing your song,
Michael Archangel, with you I belong.**

6. Beloved Lanto, I want to make the shift into the initiations of the Second Ray. I surrender the drive to power my way through wisdom, through the initiations of the Second Ray.

Michael Archangel, protection you give,
within your blue shield, I ever shall live.
Sealed from all creatures, roaming the night,
I remain in your sphere, of electric blue light.

**Michael Archangel, your Faith is so strong,
Michael Archangel, oh sweep me along.**

**Michael Archangel, I'm singing your song,
Michael Archangel, with you I belong.**

7. I realize that it is not enough to just study and fill my mind and program my mind with all this wisdom in order to pass the exam. God Wisdom is not worldly wisdom.

Michael Archangel, what power you bring,
as millions of angels, praises will sing.
Consuming the demons, of doubt and of fear,
I know that your Presence, will always be near.

**Michael Archangel, your Faith is so strong,
Michael Archangel, oh sweep me along.**

**Michael Archangel, I'm singing your song,
Michael Archangel, with you I belong.**

8. I want to engage the initiations of Divine Wisdom, and I surrender my image of worldly wisdom. I surrender the perception filter of thinking that wisdom should be used as a weapon.

Michael Archangel, God's will is your love,
you bring to us all, God's light from Above
God's will is to see, all life taking flight,
transcendence of self, our most sacred right.

**Michael Archangel, your Faith is so strong,
Michael Archangel, oh sweep me along.**

**Michael Archangel, I'm singing your song,
Michael Archangel, with you I belong.**

9. I surrender the tendency to use the power I gained during the initiations of the First Ray to reinforce this perception filter. I surrender the desire to study so hard that I become better, wiser, smarter, more knowledgeable than other students.

With angels I soar,
as I reach for MORE.
The angels so real,
their love all will heal.
The angels bring peace,
all conflicts will cease.
With angels of light,
we soar to new height.

**The rustling sound of angel wings,
what joy as even matter sings,
what joy as every atom rings,
in harmony with angel wings.**

3. I am free of using wisdom against others

1. I surrender all desire to debate as the intellectuals and turn it into a competition to see who can outsmart and outmaneuver others. I surrender the tendency to think there *must* be an opposition, there must be something that is *true* and something that is *false*.

Master Lanto, golden wise,
expose in me the ego's lies.
Master Lanto, will to be,
I will to win my mastery.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

2. I surrender the consciousness that those who know what is true must overpower those who do not have the same way of looking at life, and therefore must be wrong, false, of the devil.

Master Lanto, balance all,
for wisdom's balance I do call.
Master Lanto, help me see,
that balance is the Golden key.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

3. I surrender the belief that my spiritual knowledge, whether it comes from the ascended masters or some other teaching or teacher, is superior to all others. I know ultimate wisdom is beyond words. It is holistic, it is all-encompassing, it is an experience.

Master Lanto, from Above,
I call forth discerning love.
Master Lanto, love's not blind,
through love, God vision I will find.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

4. I know that in the translation into words, the all-encompassing, holistic nature is somewhat lost. The words are only tools for transcendence.

Master Lanto, pure I am,
intentions pure as Christic lamb.
Master Lanto, I will transcend,
acceleration now my truest friend.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

5. I see that when I take a worded expression and turn it into an absolute truth, then I have lost Divine Wisdom. I have gained worldly or human wisdom, but that is a poor substitute for the real thing.

Master Lanto, I am whole,
no more division in my soul.
Master Lanto, healing flame,
all balance in your sacred name.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

6. I surrender the pattern of abusing wisdom with power. I surrender the desire to elevate one expression with words as a superior form of wisdom and project it upon everything, thinking it must conform to this wisdom.

Master Lanto, serve all life,
as I transcend all inner strife.
Master Lanto, peace you give,
to all who want to truly live.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

7. I surrender the tendency to project on the Living Buddha and the Living Christ that he or she must conform to my perception filter. The Living Buddha and the Living Christ have come to help me escape my mental box and I am willing to be free.

Master Lanto, free to be,
in balanced creativity.
Master Lanto, we employ,
your balance as the key to joy.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

8. I see that my mental box is closed because I have taken one statement of wisdom and I have applied power to elevate it to the status of being absolute. My statement of wisdom may be perfectly valid, but it is not the *only* way to describe reality. It is not the *only truth*, for there is no one and only truth.

Master Lanto, balance all,
the seven rays upon my call.
Master Lanto, I take flight,
my threefold flame a blazing light.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

9. Any worded expression is just one description. There is more than one that is valid and useful, but they are all only descriptions and I want oneness with the spirit behind them.

Lanto dear, your Presence here,
filling up my inner sphere.
Life is now a sacred flow,
God Wisdom I on all bestow.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

4. I reach for the Spirit of Wisdom

1. Descriptions can be useful for transcending the words and gaining the holistic experience of the Spirit of Wisdom, the spirit that is the originator of the Word but that is more than the words, that is more than the form.

Master MORE, come to the fore,
I will absorb your flame of MORE.
Master MORE, my will so strong,
my power center cleared by song.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

2. I hereby do, with my outer, conscious mind, recognize that any worded expression is just one possible way to describe the reality that is beyond words.

Master MORE, your wisdom flows,
as my attunement ever grows.
Master MORE, we have a tie,
that helps me see through Serpent's lie.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

3. A description is not the *only* truth, it is not the only possible expression. I surrender the desire to turn a teaching into a closed mental box. I am being taught directly by Master Lanto.

Master MORE, your love so pink,
there is no purer love, I think.
Master MORE, you set me free,
from all conditionality.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

4. Not even the word of Lanto can capture the fullness of the spirit that he is. Beloved Lanto, I want to know you beyond words.

Master MORE, I will endure,
your discipline that makes me pure.
Master MORE, intentions true,
as I am always one with you.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

5. I use the outer word as a way to attune the radio of my mind to Lanto's Presence, and I know Lanto will impart to me his Presence.

Master MORE, my vision raised,
the will of God is always praised.
Master MORE, creative will,
raising all life higher still.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

6. I am passing the initiation of shedding the first perception filter on the Second Ray of Wisdom by recognizing that Lanto is a spirit.

Master MORE, your peace is power,
the demons of war it will devour.
Master MORE, we serve all life,
our flames consuming war and strife.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

7. Beloved Lanto, I know you are *more* than what could ever be described in words, and I am receiving and absorbing that more.

Master MORE, I am so free,
eternal bond from you to me.
Master MORE, I find rebirth,
in flow of your eternal mirth.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

8. Beloved Lanto, I am willing to let go of any worded expression that describes you, or describes God, or describes the spiritual reality, or describes life on earth.

Master MORE, you balance all,
the seven rays upon my call.
Master MORE, forever MORE,
I am the Spirit's open door.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

9. Beloved Lanto, I am opening my mind to an experience that is entirely beyond words. I know you are more and I know you as that *more*. I know myself as the *more*.

Master MORE, your Presence here,
filling up my inner sphere.
Life is now a sacred flow,
God Power I on all bestow.

**O Holy Spirit, flow through me,
I am the open door for thee.
O mighty rushing stream of Light,
transcendence is my sacred right.**

Sealing:

In the name of the Divine Mother, I fully accept that the power of these calls is used to set free the Ma-ter light, so it can outpicture the perfect vision of Christ for my own life, for all people and for the planet. In the name I AM THAT I AM, it is done! Amen.

ROS11: Mother Mary's Rosary of All-pervading Wisdom

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

(Insert personal prayer here)

Lord's Prayer

Our Father-Mother God who is within all life, we honor your Presence, the I AM, within us. We accept your kingdom manifest on Earth through us. We accept our responsibility to manifest your will on Earth, as it is manifest in Heaven. We see and accept that your all-pervading wisdom penetrates our souls, shatters all ignorance and awakens us to who we really are and why we are here on Earth.

We accept that you are giving us our daily opportunity to be more of God in this world. We therefore accept the truth that the universe returns to us what we send out.

We take responsibility for our lives and our planet. We vow to rise above the willful ignorance and spiritual blindness of our egos, so that you can deliver us from all dark forces manipulating us through that ignorance. Awaken us to the reality that life has purpose

Beloved Presence of All-pervading Wisdom, beloved Jesus, Mother Mary, Beloved I AM Presence and Holy Christ self, I hereby declare that I am willing to know my true identity as an individualization of God. I am willing to let Archangel Michael cut me free from all tendency to deny my divine individuality. I call to Archangel Michael to bind and consume the false identity of my ego. I am willing to have the scales fall from my eyes so I can overcome all ignorance and see the all-pervading wisdom of God. I declare that wisdom is the principal thing, and with all my getting I will get understanding.

I hereby declare that I am willing to know who I am, how I separated myself from my I AM Presence and what it will take to get back to oneness with my source. I am willing to know how I, as a unique individual, fit into the greater whole of the Body of God and God's highest vision for Earth. I am willing to overcome all tendency to deny God the ability to work through me, so I can be the open door for turning this planet into God's kingdom. I am willing to know what stands in the way of my service to the greater cause for which my soul decided to come into embodiment. I am willing to know how to find my place in God's plan for removing all imperfections from the Earth. I am willing to know how to find my place as a co-creator of God's kingdom on Earth.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from deceitful spirits and energies of ignorance.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from the serpentine lies that spring from the mind of anti-christ.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from spiritual blindness and all tendency to follow the forces of anti-christ.

I affirm that Archangel Michael and his billions of Blue-flame Angels are cutting all people free from all sense of separation from the Body of God.

I choose to be one with my God, and therefore I am the Presence of Archangel Michael cutting all people free from spiritual blindness, so they will find their rightful places in God's plan.

I call forth the awakening of all souls on Earth

In the name of the Presence of God's All-pervading Wisdom, in the name of Jesus Christ, in the name of Mother Mary, I say: "No more! I will not accept that the Earth is darkened by ignorance and that souls are trapped in spiritual blindness that prevents them from being who they are in God." Archangel Michael, cut myself and all souls free from the blindness of our egos and dark forces, so that we can reconnect to the true vision of who we are and why we came to Earth.

I call to my Christ self and the Christ selves of each soul on Earth to awaken us to the all-consuming love we have for God, and the burning love that caused us to come to Earth to build God's kingdom. Reconnect us to the all-consuming desire to express our divine individuality in this world. Reconnect us to the love that will help us recognize that our desire to be who we are in God is infinitely more important than any earthly desires or attachments. Awaken us to the love that will cast out all fear of losing our mortal sense of identity, so we can win the immortal life of our divine identity. Awaken us to the true priority so that we will not let anything in this world stand in the way of the fulfillment of our divine plans.

By the authority of my Christ self, I call forth the full power of the Ascended Host to consume all ignorance and spiritual blindness on Earth, and I call to all souls on Earth:

WAKE UP AND KNOW THAT "YE ARE GODS!" (4X)

In the name of the Presence of God's Wisdom, I declare that I am taking a stand for God's truth. By the authority of the Christ Flame within my heart, I demand the manifestation of God's kingdom on Earth. I will not stand by and watch the forces of darkness destroy this planet and my spiritual brothers and sisters. Therefore, I AM the open door for the Presence of God's Wisdom to consume the anti-will and the spiritual blindness of my own ego, the egos of all people and all dark forces. I surrender my ego, and as I am raised up, I draw all people closer to God. I affirm that Archangel Michael and his legions consume all darkness on Earth, raising the Earth into the glorious new day of God's highest vision for each soul. There IS Light and only Light on Earth.

The Earth is the Lord's and the fullness thereof. (3X) Amen.

In the name of the unconditional love of the Father, the Son, the Holy Spirit and the Miracle Mother, Amen.

Sealing

Beloved Presence of God's All-pervading Wisdom, seal us now in the desire to be more of God. Beloved Archangel Michael, seal us now in the impenetrable protection of your blue
30

flame. Beloved Jesus, seal us in the crystal clarity of Christ truth. Beloved Mother Mary, seal us in the unconditional love of the Mother of God.

In the name of the Father, the Son, the Holy Spirit and the Mother of God, I accept that I am one with my I AM Presence and that through that oneness I am sealed from all ego-illusions and the appearances they project onto the screen of life. I now affirm that in the light of Christ truth, evil is not real and its illusions have no power. Therefore, the kingdom of God is manifest on Earth, now and forever. Amen.

INV27: Invocation for Christ discernment

In the name of the I AM that I AM, Jesus Christ, I call to beloved Jesus and beloved Maitreya, and I declare that I am willing to increase my Christ discernment and I am willing to let die all separate selves that prevent me from having an increase in Christ discernment for as long as I am in embodiment. I especially call for your help in seeing what blocks my Christ discernment . . .

(Make personal calls)

Part 1

1. Beloved Jesus, I am willing to lose my life for your sake, meaning I am willing to lose any and all separate selves that block me from having true Christ discernment.

O Jesus, blessed brother mine,
I walk the path that you outline,
a great example to us all,
I follow now your inner call.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

2. Beloved Jesus, I am willing to have you expose to me any beliefs or illusions that my separate selves are using to block my Christ discernment.

O Jesus, open inner sight,
the ego wants to prove it's right,
but this I will no longer do,
I want to be all one with you.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

3. Beloved Jesus, help me experience the reality that for the ego, Christ discernment is just a concept that it can define any way it wants.

O Jesus, I now clearly see,
the Key of Knowledge given me,

my Christ self I hereby embrace,
as you fill up my inner space.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

4. Beloved Jesus, help me experience the reality that the ego wants me (and all other people) to believe that it has Christ discernment because this will give it ultimate authority, and it will validate its subjective, dualistic views as the ultimate truth.

O Jesus, show me serpent's lie,
expose the beam in my own eye,
as Christ discernment you me give,
in oneness I forever live.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

5. Beloved Jesus, help me experience the reality that attaining Christ discernment is a process where I will continually have to see through the ego's attempts to give some ultimate authority to its dualistic views.

O Jesus, I am truly meek,
and thus I turn the other cheek,
when the accuser attacks me,
I go within and merge with thee.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

6. Beloved Jesus, help me experience the reality that the ego sees Christ discernment as an ultimate state, and once I have supposedly attained it, all of my viewpoints will be the absolute truth.

O Jesus, ego I let die,
surrender ev'ry earthly tie,

the dead can bury what is dead,
I choose to walk with you instead.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

7. Beloved Jesus, help me experience the reality that Christ discernment is not an ultimate state but an ongoing process that does not end until I ascend. There is a level of Christ discernment for each of the 144 states of consciousness possible on earth.

O Jesus, help me rise above,
the devil's test through higher love,
show me separate self unreal,
my formless self you do reveal.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

8. Beloved Jesus, help me experience the reality that if I allow my ego to make me believe that I have achieved an ultimate level of Christ discernment, then my growth will stop and this is a form of spiritual death.

O Jesus, what is that to me,
I just let go and follow thee,
with this I do pass ev'ry test,
to find with you eternal rest.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

9. Beloved Jesus, I vow to you that I will not fall into the trap of allowing my ego to convince me that I have achieved the ultimate state of discernment and that all of my viewpoints are an absolute truth.

O Jesus, fiery master mine,
my heart now melting into thine,

I love with heart and mind and soul,
the God who is my highest goal.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

Part 2

1. Beloved Jesus, help me experience the reality that there is always more to know, there is always a higher level of awareness.

O Jesus, blessed brother mine,
I walk the path that you outline,
a great example to us all,
I follow now your inner call.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

2. Beloved Jesus, help me experience the reality that Christ discernment starts with the ability to expose the manipulation of the fallen beings, the lies and illusions they have created.

O Jesus, open inner sight,
the ego wants to prove it's right,
but this I will no longer do,
I want to be all one with you.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

3. Beloved Jesus, help me experience the reality that the fallen beings claim that Christ discernment is a matter of identifying which of their dualistic illusions is the absolute truth. In reality, Christ discernment is about seeing through all dualistic illusions.

O Jesus, I now clearly see,
the Key of Knowledge given me,

my Christ self I hereby embrace,
as you fill up my inner space.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

4. Beloved Jesus, help me experience the reality that there is no absolute or final truth possible on earth.

O Jesus, show me serpent's lie,
expose the beam in my own eye,
as Christ discernment you me give,
in oneness I forever live.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

5. Beloved Jesus, help me experience the reality that the first challenge of Christ is to recognize and experience that there is a reality beyond my current perception filter, an authority beyond my outer mind.

O Jesus, I am truly meek,
and thus I turn the other cheek,
when the accuser attacks me,
I go within and merge with thee.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

6. Beloved Jesus, help me experience the reality that many people have passed this initiation, but the more important initiation to pass is the second challenge of Christ.

O Jesus, ego I let die,
surrender ev'ry earthly tie,
the dead can bury what is dead,
I choose to walk with you instead.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

7. Beloved Jesus, help me experience the reality that the second challenge of Christ was exemplified in the situation where you told Peter to: "Get thee behind me, Satan."

O Jesus, help me rise above,
the devil's test through higher love,
show me separate self unreal,
my formless self you do reveal.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

8. Beloved Jesus, help me experience the reality that the ego will try to use my recognition of a higher authority to validate its own dualistic viewpoints by pulling Christ into its mental box.

O Jesus, what is that to me,
I just let go and follow thee,
with this I do pass ev'ry test,
to find with you eternal rest.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

9. Beloved Jesus, I am willing to have you show me any and all instances where I have allowed my ego and separate selves to pull Christ into my own mental box and use it to validate some viewpoint as an absolute truth.

O Jesus, fiery master mine,
my heart now melting into thine,
I love with heart and mind and soul,
the God who is my highest goal.

**O Jesus, let the Fire of Joy,
consume the devil's subtle ploy,
transfigured is our planet earth,
the golden age is given birth.**

Part 3

1. Beloved Maitreya, help me experience the reality that I cannot ever recognize Christ vision with the outer mind, the intellectual, linear, reasoning mind.

Maitreya, I am truly meek,
your counsel wise I humbly seek,
your vision I so want to see,
with you in Eden I will be.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

2. Beloved Maitreya, help me experience the reality that there is no argument or line of reasoning that can prove Christ vision because Christ vision needs no proof from this world.

Maitreya, help me to return,
to learn from you, I truly yearn,
as oneness is all I desire
I feel initiation's fire.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

3. Beloved Maitreya, help me experience the reality that there is no statement made with words that could ever give an accurate and full representation of Christ vision.

Maitreya, I hereby decide,
from you I will no longer hide,
expose to me the very lie
that caused edenic self to die.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

4. Beloved Maitreya, help me experience the reality that I cannot know Christ vision with my outer mind. It is not a matter of taking viewpoints defined on earth and declaring some to be true and some to be untrue.

Maitreya, blessed Guru mine,
my heart of hearts forever thine,
I vow that I will listen well,
so we can break the serpent's spell.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

5. Beloved Maitreya, help me experience the reality that Christ vision is beyond any viewpoints, theories, doctrines or ideologies defined on earth because they are all defined from the consciousness of separation.

Maitreya, help me see the lie
whereby the serpent broke the tie,
the serpent now has naught in me,
in oneness I am truly free.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

6. Beloved Maitreya, help me experience the reality that I cannot know Christ vision through my own mind. I can only experience Christ vision by allowing my Conscious You to go beyond the outer mind.

Maitreya, truth does set me free
from falsehoods of duality,
the fruit of knowledge I let go,
so your true spirit I do know.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

7. Beloved Maitreya, help me experience the reality that I cannot experience Christ vision on my own. I need a teacher, I need something from outside my own mind that gives me an experience that there is something beyond my perception filter.

Maitreya, I submit to you,
intentions pure, my heart is true,
from ego I am truly free,
as I am now all one with thee.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

8. Beloved Maitreya, help me experience the reality that at any moment, what I see is coloured by my perception filter. Therefore, I need to continually seek to step outside my perception filter and have the direct experience of the Christ mind.

Maitreya, kindness is the key,
all shades of kindness teach to me,
for I am now the open door,
the Art of Kindness to restore.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

9. Beloved Maitreya, I am willing to experience your Presence and your ongoing guidance in presenting me with a higher awareness than what is defined by my current perception filter and my current level among the 144 levels of consciousness.

Maitreya, oh sweet mystery,
immersed in your reality,
the myst'ry school will now return,
for this, my heart does truly burn.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

Part 4

1. Beloved Maitreya, help me experience the reality that my ego, my separate selves and my perception filter are actually a symbol for the “forbidden fruit,” the serpentine consciousness.

Maitreya, I am truly meek,
your counsel wise I humbly seek,
your vision I so want to see,
with you in Eden I will be.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

2. Beloved Maitreya, help me experience what was the very argument from the serpentine mind that caused me to believe that I could of my own mind become as a God who knows good and evil.

Maitreya, help me to return,
to learn from you, I truly yearn,
as oneness is all I desire
I feel initiation’s fire.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

3. Beloved Maitreya, help me experience what was the line of reasoning that caused me to leave you or another representative of Christ behind and wander into the jungle of dualistic beliefs, thinking I could be my own teacher.

Maitreya, I hereby decide,
from you I will no longer hide,
expose to me the very lie
that caused edenic self to die.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

4. Beloved Maitreya, help me experience the reality that my attempt to become as a God who can define truth and error is a completely futile quest and can never lead me to Christ vision or inner peace.

Maitreya, blessed Guru mine,
my heart of hearts forever thine,
I vow that I will listen well,
so we can break the serpent's spell.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

5. Beloved Maitreya, help me experience the reality that I was misled by the serpents because they exposed me to such trauma that I could not react neutrally. Thus, I created a set of dualistic selves to deal with this trauma.

Maitreya, help me see the lie
whereby the serpent broke the tie,
the serpent now has naught in me,
in oneness I am truly free.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

6. Beloved Maitreya, help me experience the reality that these dualistic selves are based on the illusion that I am a separate being and that I must deal with the aggression of the serpents as a separate being.

Maitreya, truth does set me free
from falsehoods of duality,
the fruit of knowledge I let go,
so your true spirit I do know.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

7. Beloved Maitreya, help me experience the reality that I am not a separate being. Help me experience myself as the Conscious You and experience my I AM Presence beyond the illusion of separation and my separate selves.

Maitreya, I submit to you,
intentions pure, my heart is true,
from ego I am truly free,
as I am now all one with thee.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

8. Beloved Maitreya, help me gradually see through all of my separate selves. I vow that as I see a separate self, I will let it die in order to follow Christ.

Maitreya, kindness is the key,
all shades of kindness teach to me,
for I am now the open door,
the Art of Kindness to restore.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.
Maitreya, now release the fire,
that raises me forever higher.**

9. Beloved Maitreya, help me especially see the separate selves that caused me to walk away from the teacher. Help me reconnect to my original spiritual teacher, for I am indeed willing to walk and talk with my personal representative of Christ.

Maitreya, oh sweet mystery,
immersed in your reality,
the myst'ry school will now return,
for this, my heart does truly burn.

**Maitreya, kindness is the cure,
in fires of kindness I am pure.**

**Maitreya, now release the fire,
that raises me forever higher.**

Sealing

In the name of the I AM THAT I AM, I accept that Archangel Michael, Astrea and Shiva form an impenetrable shield around myself and all constructive people, sealing us from all fear-based energies in all four octaves. I accept that the Light of God is consuming and transforming all fear-based energies that make up the dark forces working against the Christ discernment of all constructive people!
